Premier University Chittagong

Department of Computer Science and Engineering

THE CONSTITUTION
OF
PREMIER UNIVERSITY COMPUTER CLUB

(1st EDITION – JULY 2025)

PREMIER UNIVERSITY COMPUTER CLUB

The 1st Edition of the Constitution
of
PREMIER UNIVERSITY COMPUTER CLUB (PUCC)

is hereby formally approved by,

Professor Dr. S. M. Nasrul Quadir
Honorable Vice Chancellor
Premier University, Chattogram

&

Syed Md. Minhaz Hossain
Associate Professor & Chairman
Department of Computer Science and Engineering
Premier University, Chattogram

This Constitution shall henceforth serve as the official and foundational charter governing the structure, principles, and operational framework of the Premier University Computer Club.

This Constitution takes effect on this day**, the 22nd of July, 2025**, by the esteemed authority and endorsement of the university leadership

---

Notice

Unauthorized reproduction, modification, or distribution of this document, in part or in full, without prior written consent from the Premier University Computer Club Advisory Committee is strictly prohibited.

Violation of this directive may result in disciplinary or legal action, as deemed appropriate by the Advisory Panel of Premier University Computer Club.

2. **Section 3.2**: Advisory Board and Mentor Panels	13
3. **Section 3.3**: Executive and Sub-Executive Committees	15
4. **Section 3.4**: Elections	22
5. **Section 3.5**: Selections	25
Article 4: OPERATIONS	26-39
1. **Section 4.1**: Meetings and Decision-Making	26
2. **Section 4.2**: Events and Activities	30
3. **Section 4.3**: Competitions and Awards	34
4. **Section 4.4**: Branding and Publicity	36
Article 5: PARTNERSHIPS AND COLLABORATION	40-48
1. **Section 5.1**: External Collaborations and Sponsorship	40
2. **Section 5.2**: Inter-Club Collaboration	42
3. **Section 5.3**: Alumni Engagement	44
4. **Section 5.4:** Memorandum of Understanding (MOU)	47
Article 6: RULES AND ETHICS	49-53
1. **Section 6.1**: Rules and Regulations	49
2. **Section 6.2**: Technology Ethics and Responsible Use	52
3. **Section 6.3**: Cybersecurity Policies	52

Article 7: DATA AND INTELLECTUAL PROPERTY 54-55

1. **Section 7.1**: Data Protection and Privacy 54
2. **Section 7.2**: Intellectual Property 55

Article 8: FINANCIAL AND RESOURCE MANAGEMENT 56-60

1. **Section 8.1**: Financial Management 56
2. **Section 8.2**: Resource Management 58
3. **Section 8.3**: Grant and Funding Applications 60

Article 9: RISK AND CONFLICT MANAGEMENT 61-62

1. **Section 9.1**: Crisis and Risk Management 61
2. **Section 9.2**: Dispute Resolution and Grievances 61

Article 10: REPORTING AND ACCOUNTABILITY 63-65

1. **Section 10.1**: General Reporting 63
2. **Section 10.2**: Documentation Standards 64

Article 11: AMENDMENTS AND DISSOLUTION 66-67

1. **Section 11.1**: Amendments 66
2. **Section 11.2**: Dissolution 66

INTRODUCTION

The Premier University Computer Club (PUCC), founded in 2015, is an official student organization of Premier University, Chittagong. Operating in with the Department of Computer Science and Engineering, the club serves a vibrant and dynamic platform for students passionate about technology, innovation, and collaboration. Since its inception, the club has played a vital role in fostering a culture of excellence in computing and enhancing the technological ecosystem within the university.

The formal establishment of the club was approved in the 11th meeting of the Academic Council, held on 11 July 2020, where the Honorable Vice Chancellor of Premier University, Chittagong officially endorsed the formation of a coding and programming club, as stated in the council resolution ("সিদ্ধান্ত চ": বিশ্ববিদ্যালয়ে একটি কোডিং ও প্রোগ্রামিং ক্লাবের গঠনের সিদ্ধান্ত গ্রহণ করা হলো).

At the beginning of 2025, Premier University Computer Club expanded its structure by introducing five additional wings alongside the previously existing Competitive Programming Wing**,** aiming to foster a more diverse range of technical and career-oriented activities.

Premier University Computer Club is now structured around six wings:

1. Competitive Programming Wing
2. Software Engineering Wing
3. Linux Based Networking Wing
4. Deep Neural Research Wing
5. Research and Development Wing
6. Career Guidance Wing

The club's activities are overseen by an Advisory Board and an Executive Committee. A Mentor Panel—comprising faculty members from the Department of Computer Science and Engineering—provides academic guidance and mentorship. Additionally, a Sub-Executive Committee works alongside the Executive Committee to support the execution of various initiatives and events.

Premier University Computer Club is renowned for organizing signature events such as the CSE Fest and IT Fest, and holds a proud legacy of participation and achievement in prestigious national and international competitions. These include the International Collegiate Programming Contest (ICPC), both regional and Asia West rounds, as well as NCPC, NGPC, hackathons, ideathons, and project showcases competition.

Beyond competitions, Premier University Computer Club is deeply committed to nurturing the skills and growth of its members. The club regularly organizes seminars, webinars, workshops, bootcamps, and internal competitions—creating a nurturing environment for aspiring technologists, innovators, and future leaders.

GOVERNANCE AUTHORITY

To ensure that the Premier University Computer Club remains aligned with its founding principles, university policies, and the broader mission of academic and professional excellence, a higher level of oversight is entrusted to the Advisory Board lead by the Chairman of the Department of Computer Science and Engineering, Premier University, Chittagong. This body holds the responsibility to review and, when necessary, amend or override decisions, interpretations, or provisions outlined in this Constitution.

Such actions may be taken to preserve the integrity of the club, ensure compliance with evolving academic or administrative standards, or address unforeseen circumstances in the best interest of the organization. All decisions of this nature must be formally documented, with clear justifications, and shared with the Executive Committee. Feedback and concerns raised in response to such decisions shall be addressed in accordance with Article 9, Section 9.1.

This framework of governance ensures that Premier University Computer Club continues to function as a responsive, responsible, and forward-looking body, committed to fostering innovation, collaboration, and excellence in the field of computing.

ARTICLE 1: IDENTITY AND PURPOSE

Section 1.1: Name, Motto, and Logo

A. Name

The name of this organization shall be the **Premier University Computer Club**.

B. Abbreviation

The abbreviation of the Premier University Computer Club shall be "**PUCC**"

C. Motto

Our guiding motto shall be

"Challenging boundaries, reaching new heights."

D. Logo

This logo shall represent Premier University Computer Club.

Figure 1.1.1: Premier University Computer Club Logo.

Section 1.2: Purpose and Objectives

A. Vision

Vision of Premier University Computer Club shall be

"To empower individuals through innovation, collaboration, and excellence, fostering a community that pushes boundaries and drives meaningful impact in technology and society."

B. Mission

The missions of Premier University Computer Club wings is to:

1) **Competitive Programming Wing:** "To nurture problem-solving skills, foster analytical thinking, and prepare members for national and international programming competitions."
2) **Software Engineering Wing:** "To equip members with the knowledge and tools to design, develop, and deploy modern, user-centric software that meet industry standards."
3) **Linux-Based Networking Wing:** "To build a strong foundation in Linux systems, networking, and security, empowering members to manage and innovate in IT infrastructure."
4) **Deep Neural Research Wing:** "To advance knowledge in artificial intelligence, machine learning and deep learning by exploring cutting-edge models and real-world applications."
5) **Research and Development Wing:** "To cultivate a culture of innovation and inquiry to explore emerging technologies, conduct impactful research, and develop projects that address real-world challenges."
6) **Career Guidance Wing:** "To empower members with skills and resources needed for higher studies and professional pathways, bridging the gap between students and higher education, industry careers."

ARTICLE 2: MEMBERSHIP

Section 2.1: Membership Eligibility and Categories

A. Membership

Membership is open to all disciplines and currently enrolled students of Premier University who demonstrate interest, passion, dedication to the club's activities and adhere to the club's Code of Conduct.

B. Registration Process

1) Prospective members must complete an application form (physical or digital) that includes personal details, necessary information, and required documents.
2) Application forms will be available at recruitment events which will be held in the first two weeks of semester.
3) Eligible students have to become a member of the club first via registration and then they can join wings after fulfilling the wings requirement.

C. Evaluation Process

1) Each applicant is reviewed by a panel of club members who assess their interest, passion, and alignment with the club's goals.
2) Applicants will undergo a review of activity, performance, and ethics by the recruitment panel, which is referred to the Chief Advisor by the President for approval.
3) Selected applicants will receive a welcome letter or email with details about their membership, upcoming meetings, and expectations and unsuccessful applicants will be informed politely and encouraged to reapply in the future.
4) The evaluation process will be completed within two weeks of application submission.

C. Wings Access

1. Students can join any wing after becoming a member of the Premier University Computer Club and fulfilling the prerequisites set by each wing.

D. Late Membership Registration (Special Cases)

1) In exceptional circumstances where a prospective member misses the recruitment event, late membership applications may be considered.
2) The applicant must contact the Secretary to request consideration for late registration.
3) The applicant is required to submit a written explanation for missing the event and provide supporting documentation.
4) Late applications will be reviewed on a case-by-case basis by the recruitment panel, with final approval from The President.

E. Membership Fees

1) A nominal membership fee, set annually by the Executive Committee (EC), must be paid by all members to cover administrative costs and provide a club ID card.
2) Additional fees, determined by the EC, are required for members joining specialized wing to cover wing-specific resources.
3) The EC must publish all fee amounts and their justification at least 7 days before the semester registration period, with approval from the Advisory Board.
4) Members facing financial hardship may apply for a fee waiver, reviewed by the EC within 7 days starting from the registration period, to ensure accessibility for all eligible students.

F. Membership Renewal

1) Members must renew their membership each semester through the standard registration process outlined by the EC.
2) Renewal requires submission of applicable fees and confirmation of continued enrollment at Premier University.
3) The EC must notify members of the renewal process at least 7 days before the semester registration deadline, with renewals completed within the first 14 days of the semester.

Section 2.2: Rights and Responsibilities

A. Rights of Members

Members of the Computer Club are entitled to the following benefits and privileges, designed to foster skill development, professional growth, and community engagement:

1) **Skill Development**: Access opportunities to enhance technical expertise in areas such as coding, programming, networking, AI and research through seminars, workshops, bootcamps, challenges, and hackathons.
2) **Career Advancement**: Earn industry-recognized certifications, build professional networks through industry connections, and develop portfolios showcasing real-world projects to enhance employability.
3) **Practical Experience**: Gain hands-on experience through participation in workshops, hackathons, and university-level research or capstone projects.
4) **Access to Resources**: Utilize premium tools, learning materials, and university laboratory facilities to support practical learning and project development.
5) **Exposure to Emerging Technologies**: Explore cutting-edge fields and modern tools/frameworks through club activities and educational sessions.
6) **Leadership Opportunities**: Take on leadership roles, such as organizing events or leading projects, to develop management, organizational, and interpersonal skills.
7) **Community and Collaboration**: Engage in collaborative projects, exchange knowledge with peers, and participate in interdisciplinary innovations within a supportive tech community.
8) **Recognition and Rewards**: Receive certificates, awards, and public acknowledgment for achievements to enhance resumes and professional profiles.
9) **Professional Connections**: Connect with alumni, collaborate with industry professionals, and represent the club at regional, national, or global competitions.
10) **Social and Networking Events**: Participate in meetups, club collaborations, and social events to build lasting friendships and professional networks.
11) **Personal Growth**: Develop confidence, adaptability, and accountability through project ownership, public speaking, and leadership opportunities.
12) **Soft Skills Training**: Enhance communication, time management, and teamwork skills through collaborative activities and club initiatives.
13) **Fun and Inspiration**: Enjoy engaging activities such as tech quizzes, Capture the Flag (CTF) games, coding marathons, guest lectures, and gamified learning experiences.
14) **Employability Boost**: Benefit from career-focused resources, including mock interviews, resume reviews, and internship opportunities arranged by the club.
15) **Contribution to Department Reputation**: Elevate the department's status by contributing to outstanding performances and innovative projects recognized within and beyond the institution.
16) **Innovation and Creativity**: Work on projects that encourage out-of-the-box thinking and drive technological advancements.

B. Responsibilities of Members

To maintain the integrity, productivity, and success of the Computer Club, members are expected to fulfill the following responsibilities:

1) **Active Participation**: Regularly attend meetings, events, and activities, contributing actively to discussions, projects, and initiatives.
2) **Adherence to Rules**: Comply with the club's code of conduct, rules, and regulations, as outlined in Article 6, Section 6.1, as well as any institutional policies.
3) **Ethical Conduct**: Uphold ethical standards in all club activities, including responsible use of technology, as outlined in Article 6, Section 6.2.
4) **Collaboration and Respect**: Foster a collaborative and inclusive environment by respecting fellow members, valuing diverse perspectives, and working constructively in teams.
5) **Contribution to Projects**: Actively contribute to club projects, ensuring timely completion of assigned tasks and maintaining high-quality standards in deliverables.
6) **Resource Stewardship**: Use club resources (e.g., tools, labs, materials) responsibly, ensuring they are maintained and accessible for all members.
7) **Event Support**: Assist in organizing, promoting, or participating in club events, such as workshops, hackathons, or competitions, to ensure their success.
8) **Professional Representation**: Represent the club positively in all interactions, including competitions, collaborations, and public events, upholding the club's reputation.
9) **Knowledge Sharing**: Share skills, insights, and expertise with other members to promote collective growth and learning within the club.
10) **Feedback and Improvement**: Provide constructive feedback to improve club activities and operations.

Section 2.3: Membership Termination and Disciplinary Procedures

A. Voluntary Resignation

1) **Resignation Process**: Members wishing to resign must submit a formal resignation letter to the General Secretary, addressed to the Executive Committee, for review and approval by the Chief Advisor.
2) **Obligations upon Resignation**: Resigning members must return all club property (e.g., hardware, software licenses, or materials) and settle any outstanding financial or operational obligations (e.g., dues or project responsibilities) before resignation is finalized.
3) **Resignation Template**: The General Secretary shall provide a standardized resignation template upon request to streamline the process and ensure all necessary information is included.

B. Involuntary Termination

1. **Grounds for Termination**: Membership may be terminated for the following reasons:
    a) Violations of the club's Code of Conduct, as outlined in Article 6, Section 6.1.
    b) Misconduct, including but not limited to harassment, discrimination, dishonesty, or disruptive behavior that undermines club operations or community standards.
    c) Prolonged inactivity, defined as failure to attend two consecutive club events
2. **Termination Procedure**:
    a) The Executive Committee shall investigate alleged violations, gathering evidence and, if necessary, consulting with affected parties.
    b) A formal termination proposal must be approved by the Chief Advisor.

C. Disciplinary Procedures

1) **Non-Termination Disciplinary Actions**: For violations not warranting termination, the Executive Committee may impose lesser disciplinary measures, including but not limited to:
    a) Written warning issued to the member, outlining the violation and corrective actions required.
    b) Temporary suspension of membership privileges for a specified period.
2) **Disciplinary Review Process**:
    a) Alleged violations shall be reported to the EC, which will conduct a fair and impartial review, including an opportunity for the member to respond.
    b) Disciplinary decisions require approval by the Chief Advisor.
    c) Members shall be notified in writing of any disciplinary action, including the rationale and duration, within three days of the decision.

D. Appeal Process

1) **Submission of Appeal**: Members subject to termination or disciplinary action may appeal by submitting a formal written request to the Chief Advisor within 7 days. The appeal must include a detailed explanation and any supporting evidence.
2) **Appeal Review**:
    a) The Chief Advisor shall review the appeal.
    b) A final decision shall be communicated to the member in writing within seven calendar days of receiving the appeal.
3) **Finality of Decision**: The appeal decision is final and not subject to further review within the club, unless new evidence emerges that significantly impacts the case, as determined by the Chief Advisor.

ARTICLE 3: GOVERNANCE AND STRUCTURE

Section 3.1: Club Structure

A. Overview

The Premier University Computer Club (PUCC) is organized into a hierarchical structure to ensure effective governance, coordination, and execution of its mission and objectives (Article 1, Section 1.2). The club operates under the leadership of the Executive Committee (Article 3, Section 3.3), with oversight from the Chief Advisor and Advisory Board and Mentor Panels (Article 3, Section 3.2). The club's operational activities are divided into six wings, each focusing on a distinct domain of computer science and technology. These wings foster skill development, innovation, and collaboration through targeted projects, events, and competitions. Each wing is led by a Wing Vice-President and Wing Secretary with guidance from designated mentors, ensuring alignment with the club's goals.

B. Membership in Wings

1. **Participation**: All active members (Article 2, Section 2.1) may join one or more wings based on their interests and skills, subject to approval by the respective Wing Vice-President.
2. **Engagement**: Members are encouraged to actively participate in wing's activities to maintain active membership status (Article 2, Section 2.3).
3. **Coordination**: Wings collaborate on interdisciplinary projects and events, with the Executive Committee facilitating cross-wing initiatives to promote synergy.

C. Wings

The club comprises the following six wings,

1. Competitive Programming Wing
2. Software Engineering Wing
3. Linux Based Networking Wing
4. Deep Neural Research Wing
5. Research and Development Wing
6. Career Guidance Wing

1. Competitive Programming Wing

The Competitive Programming Wing enhances members' problem-solving and algorithmic thinking skills, preparing them for coding competitions and computational challenges.

Key Activities and Responsibilities**:**

a) Participating in online coding contests on platforms.
b) Organizing regular problem-solving competitions, seminars, workshops, and boot camps to hone competitive programming skills.
c) Hosting inter-university coding competitions to promote PUCC's reputation.
d) Guiding members for prestigious competitions, including ICPC, IUPC, and NCPC.

2. Software Engineering Wing

The Software Engineering Wing focuses on developing expertise in software design, engineering practices, and the software development lifecycle, emphasizing coding, version control, testing, and team-based methodologies.

Key Activities and Responsibilities**:**

a) Conducting seminars, workshops, and boot camps on software engineering.
b) Arranging training for and participation in hackathons and project showcase competitions.

3. Linux-Based Networking Wing

The Linux-Based Networking Wing builds expertise in Linux systems, computer networking, and cybersecurity, providing hands-on experience in system administration, server configuration, and network protocols.

Key Activities and Responsibilities**:**

a) Conducting seminars, workshops, and bootcamps on Linux-based networking.
b) Arranging training for participation in Capture the Flag and cybersecurity competitions.

4. Deep Neural Research Wing

The Deep Neural Research Wing advances knowledge in artificial intelligence, machine learning, and deep learning through theoretical exploration and practical applications.

Key Activities and Responsibilities**:**

a) Organizing seminars, workshops, and boot camps on AI, machine learning, and deep learning concepts and tools.
b) Facilitating participation in AI/ML competitions

5. Research and Development Wing

The Research and Development Wing promotes innovation and critical inquiry by supporting members in designing and developing original projects and conducting impactful research.

Key Activities and Responsibilities**:**

a) Conducting research and developing innovative projects aligned with club objectives.
b) Organizing seminars and workshops to foster research skills and project development.

6. Career Guidance Wing

The Career Guidance Wing supports members in navigating career paths by providing access to professional development resources, mentorship, and industry connections.

Key Activities and Responsibilities**:**

a) Conducting seminars, workshops, and boot camps on career-oriented skills (e.g., resume building, interview preparation).
b) Hosting alumni meetups and mentorship programs to connect members with experienced professionals.
c) Sharing internship and job opportunities through regular updates and partnerships with industry stakeholders.

D. Leadership and Oversight

1. **Wing Leadership**: Each wing is led by Wing Vice-President and Wing Secretary with Wing coordinators, appointed or elected as per Article 3, Section 3.4. These leaders are responsible for planning and executing wing activities, reporting to the Executive Committee, and coordinating with mentors.
2. **Mentor Guidance**: Each wing is supported by designated mentors (Article 3, Section 3.2) who provide technical and strategic guidance to ensure alignment with industry standards and club goals.
3. **Executive Committee Oversight**: The Executive Committee oversees all wings, ensuring their activities align with the club's mission and resolving any inter-wing conflicts or resource allocation issues.

E. Structural Modifications

1. **Creation of New Wings**: The Executive Committee, with approval from the Chief Advisor, may propose the creation of new wings to address emerging technologies.

2. **Dissolution or Merger of Wings**: Wings may be dissolved or merged if deemed inactive or redundant, following a proposal by the Executive Committee and approval by the Chief Advisor.
3. **Review Process**: The club structure shall be reviewed annually by the Executive Committee to ensure relevance and effectiveness.

Section 3.2: Advisory Board and Mentor Panels

A. Advisory Board

1. Purpose

The Advisory Board serve as the strategic oversight body for the Premier University Computer Club, providing guidance, direction, and alignment with the club's mission and objectives (Article 1, Section 1.2) and institutional policies.

2. Composition

The Advisory Board shall consist of:

a) The Chairman of the Department of Computer Science and Engineering, who serves as the head of the Advisory Board.
b) Two faculty members from the Department of Computer Science and Engineering at Premier University, Chittagong.
c) The President of the CSE Alumni Association, Premier University.
d) One additional member from the CSE Alumni Association.

3. Roles and Responsibilities

The Advisory Board shall:

a) Provide strategic advice on major events, programs, and initiatives, ensuring alignment with technological trends and the club's mission.
b) Review and approve significant club activities, including budgets, partnerships, and competitions (Article 4, Sections 4.2–4.3; Article 5, Section 5.1).
c) Ensure the club upholds professional and ethical standards in all activities, as outlined in Article 6, Sections 6.1–6.3. d. Mediate conflicts within the club, acting as a neutral body to ensure fair and impartial resolutions (Article 9, Section 9.2).
d) Oversee the election process for the Executive Committee to ensure fairness and compliance with Article 3, Section 3.4.
e) Review annual reports from the Executive Committee on the club's strategic progress and recommendations for improvement.

4. Selection and Term

a) The Chairman of the Department of Computer Science and Engineering, Premier University, will be the Head of the Advisory Board and be designated as the Chief Advisor.
b) Two faculty members are selected by the Chairman for the two advisor positions held by faculty members.
c) The President of the CSE Alumni Association, Premier University, will be in the Advisory Board.
d) One additional alumni member will be nominated by the President of the CSE Alumni Association.
e) Advisory Board members serve a term of one academic year, renewable upon review by the Chairman.
f) Replacement of members due to resignation or inability to serve shall follow the same selection process, with appointments made within 14 days of a vacancy.

B. Mentor Committee

1. Purpose

The Mentor Committee provides hands-on technical expertise, career guidance, and personalized support to members, fostering skill development and professional growth within the club's specialized wings (Article 3, Section 3.1).

2. Composition

a) The Mentor Committee shall consist of Two to three faculty members from Department of Computer Science and Engineering Premier University, Chittagong, assigned to (Competitive Programming, Software Engineering, Linux Based Networking and Deep Neural Research wings).
b) For Research and Development wing and Career Guidance wing will have the department's committee members as the mentors to the designated wing.

3. Roles and Responsibilities

The Mentor Committee shall:

a) Design and facilitate bootcamp, workshops, training sessions, and hands-on projects to develop members' technical and leadership skills within their respective wings.
b) Provide guidance and resources for members participating in projects, hackathons, or competitions (Article 4, Sections 4.2–4.3).
c) Support members in exploring career opportunities, preparing resumes, practicing interviews, and earning industry-recognized certifications (Article 3, Section 3.1).

d) Facilitate connections between members and industry professionals or organizations to enhance networking and collaboration opportunities.
e) Offer constructive feedback on member performance and provide personalized mentorship to address individual challenges.
f) Collaborate with Wing Vice-Presidents and Wing Secretaries (Article 3, Section 3.1) to ensure wing activities align with club goals.

4. Selection and Term

a) Faculty mentors are selected by the Advisory Board based on expertise, availability, and relevance to the wing's focus.
b) Mentors serve a term of one academic year, renewable upon review by the Advisory Board.
c) Replacement of mentors due to resignation or inability to serve shall be selected by the Advisory Board within 14 days of a vacancy.

5. Coordination: The Advisory Board and Mentor Committee shall collaborate with the Executive Committee (Article 3, Section 3.3) to ensure cohesive governance and alignment of activities across wings.

Section 3.3: Executive and Sub-Executive Committees

A. Overview

The Premier University Computer Club is governed by the Executive Committee (EC), which is responsible for strategic decision-making, policy formulation, and overall management, and supported by the Sub-Executive Committee (Sub-EC), which handles operational tasks, event execution, and member coordination. Both committees operate under the oversight of the Advisory Board (Article 3, Section 3.2) and align with the club's mission and objectives (Article 1, Section 1.2). All positions are held by currently enrolled students in the Department of Computer Science and Engineering (CSE) at Premier University, Chittagong, with specific semester eligibility as outlined below.

B. Executive Committee

1. Purpose

The Executive Committee (EC) serves as the principal governing body of the Premier University Computer Club (PUCC). It is responsible for strategic planning, policy formulation, and supervision of all club activities. The EC ensures that all initiatives and decisions align with the club's mission and comply with the academic and administrative guidelines of Premier University.

2. Composition

The Executive Committee consists of the following positions, with semester eligibility:

a) President (1 position, 8th semester)
b) Vice President (Acting) (1 position, 8th semester)
c) Vice President (Technical) (1 position, 7th semester)
d) Vice President (Wing) (4 positions, 8th semester, one per wing: Competitive Programming, Software Engineering, Linux-Based Networking, Deep Neural Research)
e) General Secretary (1 position, 7th semester)
f) Treasurer (1 position, 8th semester)
g) Organizing Secretary (1 position, 7th semester)
h) Wing Secretary (4 positions, 6th or 7th semester, one per wing: Competitive Programming, Software Engineering, Linux-Based Networking, Deep Neural Research)
i) Public Relations and Human Resources Secretary (1 position, 8th semester)

3. Responsibilities

a) **President**:

1) Leads the club, overseeing all activities, operations, and governance.
2) Makes final decisions in disputes or unresolved matters, in consultation with the Advisory Board (Article 3, Section 3.2).
3) Approves internal and external communications and partnerships
4) Guides the EC and Sub-EC, coordinating with the Advisory and Mentor Panels for strategic planning.
5) Represents PUCC in official events, sponsorship discussions, and institutional engagements.
6) Oversees the annual roadmap, budget and resource planning
7) Ensures the club's mission and long-term vision are upheld.

b) **Vice President (Acting)**:

1) Assists the President and assumes their duties in their absence.
2) Facilitates communication between the EC and Sub-EC.
3) Monitors overall club performance and operational efficiency.
4) Supports event planning and execution (Article 4, Section 4.2).
5) Overlooks the Career Guidance Wing.

c) **Vice President (Technical)**:

1) Leads technical initiatives, including workshops, seminars, and competitions (Article 4, Sections 4.2–4.3).
2) Coordinates with Wing Secretaries and Vice Presidents (Wing) to support wing activities (Article 3, Section 3.1).
3) Oversees technical documentation and archiving (Article 7, Section 7.3).
4) Overlooks Research and Development Wing.

d) **Vice President (Wing)**:

1) Supervises one of the four wings (Competitive Programming, Software Engineering, Linux-Based Networking, Deep Neural Research).
2) Guides wing strategies, activities, and project planning.
3) Report wing performance to the President and Vice President (Technical).
4) Promotes innovation and cross-wing collaboration.
5) Oversees seminar, workshop, bootcamp of their respective wing.
6) Work with respected wings mentors for maintaining wing.

e) **General Secretary**:

1) Manages administrative functions, including documentation and correspondence.
2) Prepares and maintains meeting minutes, agendas, and event schedules (Article 4, Section 4.1).
3) Coordinates official communications within and outside the club.
4) Supports policy development and decision-making processes.
5) Ensures proper archiving of club records (Article 7, Section 7.3).

f) **Treasurer**:

1) Manages club finances, including budgeting, accounts, and inventory (Article 8, Section 8.1).
2) Maintains detailed records of income and expenditures, preparing financial reports for meetings and audits.
3) Coordinates sponsorship funds, donations, and membership fees (if applicable).
4) Ensures financial transparency and responsible fund utilization.
5) Oversees club property and resource inventories (Article 8, Section 8.2).

g) **Organizing Secretary**:

1) Oversees the execution of events, seminars, and recruitment drives (Article 4, Section 4.2).
2) Manages event logistics, including venues, materials, and volunteer coordination.
3) Maintains event checklists and timelines.
4) Collaborates with PR & HR Secretary and wing teams for successful event delivery.
5) Develops emergency response plans for events (Article 9, Section 9.1).

h) **Wing Secretary**:

1) Manages the operations of one of the four wings (Competitive Programming, Software Engineering, Linux-Based Networking, and Deep Neural Research).
2) Plans and executes wing-specific workshops, bootcamps, and events.
3) Reports to the respective Vice President (Wing) and Vice President (Technical).
4) Ensures member participation and tracks wing progress.
5) Maintains activity reports for wing performance reviews.

i) **Public Relations and Human Resources Secretary**:

1) Manages the club's public image, communications, and outreach.
2) Oversees social media, press releases, and digital branding (Article 4, Section 4.4).
3) Builds relationships with sponsors, partners, and external organizations (Article 5, Section 5.1).
4) Coordinates internal HR tasks, including onboarding, member engagement, and role assignments.
5) Promotes inclusivity and a collaborative club culture.

4. Term and Transitions

a) EC members serve a term of one semester of Department of Computer Science and Engineering Premier University, renewable through re-election or selection (Article 3, Section 3.4).
b) Members graduating or unable to continue mid-term shall be replaced through a special election or appointment by the Advisory Board.
c) Outgoing members shall facilitate a transition period, transferring knowledge and responsibilities to successors.

C. Sub-Executive Committee

1. Purpose

The Sub-Executive Committee supports the EC by managing day-to-day operations, event execution, documentation, project coordination, and member engagement, while serving as a training ground for future EC leaders.

2. Composition

The Sub-Executive Committee consists of:

a) Assistant General Secretary (1 position, 6th semester)
b) Document Coordinators (2 positions, 5th and 4th semester)
c) Event Coordinators (2 positions, 6th and 5th semester)

d) Project Coordinator (2 position, 5th or 4th semester)
e) Batch Coordinators (16 positions, 2 per semester from 1st to 8th)
f) Marketing Coordinators (3 positions, 6th, 5th, and 4th semester)
g) Wing Coordinators (8 positions 6th, 5th and 4th semester, 2/3 per wing: Competitive Programming, Software Engineering, Linux-Based Networking, Deep Neural Research)

3. Responsibilities

a) **Assistant General Secretary**:

1) Assists the General Secretary in managing communications and documentation.
2) Prepares meeting agendas and reports, maintaining attendance records.
3) Coordinates with Document Coordinators to ensure accurate record-keeping.

b) **Document Coordinators**:

1) Manage documentation for events, meetings, and reports (Article 7, Section 7.3).
2) Organize and archive club materials, including minutes, photos, and registration lists.
3) Support the General Secretary and Assistant General Secretary in content preparation.

c) **Event Coordinators**:

1) Collaborate with the Organizing Secretary to manage event logistics.
2) Coordinate schedules, venues, and volunteer support for events.
3) Ensure availability of materials and technical support during events.

d) **Project Coordinator**:

1) Supports Vice President (Technical) in managing the Research and Development Wing
2) Monitors project progress and ensures member participation.
3) Documents project timelines, issues, and outcomes.

e) **Batch Coordinators**:

1) Serve as liaisons between their semester batch and the club.
2) Promote club activities and encourage participation within their batch.
3) Assist in recruitment and outreach efforts.

f) **Marketing Coordinators**:

1) Work under the PR & HR Secretary to create promotional content
2) Manage digital marketing efforts across platforms.
3) Enhance engagement and visibility for PUCC events.

g) **Wing Coordinators**:

1) Support wing Vice-President and Wing Secretary in organizing wing-specific events.
2) Coordinate attendance, communications, and logistics within the wing.
3) Assist junior members in skill development and training.

D. Term and Transitions

1) Sub-EC members serve a term of one semester, renewable through selection (Article 3, Section 3.4).
2) Members graduating or unable to continue shall be replaced through appointment by the EC, with approval from the Advisory Board.
3) Outgoing members shall support transitions by documenting responsibilities and training successors.

E. Eligibility Criteria

1. General Eligibility (Applies to All Positions)

a) Must be a currently enrolled student in the Department of CSE at Premier University, Chittagong.
b) Must have no ongoing disciplinary actions or major violations of the club's Code of Conduct (Article 6, Section 6.1) or university policies.
c) Must demonstrate a positive attitude, teamwork, leadership potential, and commitment to PUCC's goals.
d) Must be able to dedicate sufficient time to club responsibilities, meetings, and events.
e) EC candidates must have active membership status for at least one semester prior to nomination.

2. Executive Committee-Specific Eligibility

a) Must be enrolled in the semester specified for the position (e.g., 8th semester for President).
b) Must have prior involvement in PUCC activities (e.g., as a EC member, Sub-EC member, wing participant, or volunteer).
c) Must possess strong communication, organizational, and decision-making skills.
d) For President, General Secretary, Treasurer and Public Relations and Human Resources Secretary :
    1) Preference is given to candidates with prior leadership or coordination experience.
    2) Candidates must have at least six months of active involvement in PUCC (e.g., bootcamp participation, event organizing, or leadership roles).

3) Candidates are ineligible if they hold top leadership positions (e.g., President, General Secretary, Treasurer, Public Relations and Human Resources Secretary or equivalent) in other university clubs during their PUCC tenure.
4) EC members may serve as general or executive members in other university clubs but are prohibited from holding top leadership roles in those clubs.
5) No member may hold more than one EC position concurrently.

3. Sub-Executive Committee-Specific Eligibility

a) Must be enrolled in the semester range specified for the position.
b) Must demonstrate basic knowledge or interest relevant to the role (e.g., documentation skills for Document Coordinators)
c) Must show willingness to learn and support the EC.
d) Members may hold only one Sub-EC position at a time but may be considered for EC roles when eligible.

4. Ineligibility and Removal

A candidate or member is ineligible to hold or continue holding a position if they:

a) Violate the club's Code of Conduct or bring disrepute to PUCC or the university.
b) Fail to perform their responsibilities after receiving one written warnings from the EC.
c) Engage in conflicts of interest, such as personal gain from club activities or sponsorships, without disclosure and approval from the Advisory Board.
d) Removal requires action from the President and approval by the Advisory Board, with the member notified.(Article 2, Section 2.3).

F. Accountability and Coordination

1. **Performance Reviews**: The EC and Sub-EC shall undergo semester wise performance reviews by the Advisory Board to ensure effective leadership and alignment with club goals.
2. **Reporting**: The EC shall submit activity, financial and required reports to the Advisory Board.
3. **Coordination**: The EC coordinates with the Advisory Board, Mentor Committee (Article 3, Section 3.2), and wing leadership (Article 3, Section 3.1) to ensure cohesive operations.
4. **Conflict of Interest**: Members must disclose any potential conflicts (e.g., financial interests in sponsorships) to the Advisory Board, which shall determine appropriate actions.

Section 3.4: Elections

A. Purpose

The Executive Committee (EC) and Sub-Executive Committee (Sub-EC) of the Premier University Computer Club (PUCC) shall be formed through a structured, transparent, and fair election process, ensuring equal opportunity and representation for eligible students in the Department of Computer Science and Engineering (CSE) at Premier University, Chittagong. The process is overseen by the Election Committee and guided by the Advisory Board (Article 3, Section 3.2) to align with the club's mission (Article 1, Section 1.2).

B. Election Committee

1. Composition

The Election Committee shall consist of member of the Advisory Board, designated by the Chairman of the Department of CSE, to serve as the Election Commissioner. And two more member of the Mentor Committee, selected by the Advisory Board.

2. Responsibilities

The Election Committee shall:

a) Announce the election timeline and available positions.
b) Oversee candidate nominations, eligibility scrutiny, and the voting process.
c) Ensure neutrality, transparency, and compliance with eligibility criteria
d) Declare official election results within 24 hours of voting completion.
e) Address any disputes or challenges, in coordination with the Advisory Board.

3. Formation and Neutrality

a) The Election Committee shall be formed at least 7 Days before the election process begins and shall organize the election within the first two weeks of the academic semester.
b) Members of the Election Committee who are candidates for EC or Sub-EC positions must recuse themselves, with replacements appointed by the Advisory Board within 24 hours.

C. Election Timeline

1. **Notice of Election:**
   The election shall be officially announced on Day 1**,** via authorized club channels (e.g., email, social media), as per Article 4, Section 4.4.

2. **Nomination Period:**
   The nomination window shall remain open for three (3) days following the election notice.
3. **Scrutiny and Final Candidate List:**
   All nominations shall be reviewed, and eligibility verified per Article 3, Section 3.3. The final list of eligible candidates shall be published within two (2) days after nominations close.
4. **Withdrawal Period:**
   Candidates may formally withdraw their nominations within one (1) day after the final candidate list is published.
5. **Campaign Period:**
   Eligible candidates may campaign and present their platforms to members over four (4) day**s**, through both physical and digital means.
6. **Election Day:**
   Voting shall take place on Day 11, primarily through an offline secret ballot system, unless otherwise specified.
7. **Result Declaration:**
   Election results shall be officially declared and published via club channels within 24 hours of voting completion.
8. **Post-Election Grievance Window:**
   Any complaints or concerns regarding the election process must be submitted to the Advisory Board within two (2) days of result declaration, and addressed in accordance with Article 9, Section 9.1.

D. Nomination Process

1. Candidates must submit a completed Nomination Form, provided by the Election Committee, within the nomination period.
2. Each candidate may apply for only one EC position or one Sub-EC position, as outlined in Article 3, Section 3.3.
3. Nominations are subject to eligibility verification by the Election Committee, based on criteria in Article 3, Section 3.3, including academic standing, prior involvement, and absence of disciplinary actions.
4. The Election Committee shall publish the final candidate list after scrutiny, notifying candidates of any disqualifications with reasons.

E. Voting Process

1. Voting shall be conducted via a secret ballot offline, at a designated location on.
2. All active members of PUCC, as defined in Article 2, Section 2.1, who were registered in the previous semester and holds membership till the Election Day, are eligible to vote.

3. Each voter may cast one vote per position.
4. The candidate with the highest number of valid votes for a position is elected.
5. In case of a tie, a re-vote for that position shall be conducted within 24 hours.
6. The Election Committee shall ensure secure ballot handling and accurate vote counting, with oversight from the Advisory Board.

F. Unopposed Positions

1. If only one candidate is nominated for a position and meets eligibility criteria, they shall be declared elected unopposed.
2. If no candidate is nominated for a position:
    a) The Election Committee may extend the nomination period by 1–2 days.
    b) If the position remains vacant, the EC, in consultation with the Advisory Board, may appoint an eligible member within one week of the election.

G. Term of Committee

1. All EC and Sub-EC members shall serve a term of one academic semester, unless removed, replaced, or reappointed due to special circumstances.
2. Mid-term vacancies shall be filled through a special election or appointment by the EC, with approval from the Advisory Board, within 14 days of the vacancy.
3. Outgoing members shall facilitate a transition period, transferring responsibilities and documentation to successors, as per Article 3, Section 3.3.

H. Disputes and Appeals

1. Any member may challenge election results or processes by submitting a written complaint to the Election Committee within 24 hours of result declaration.
2. The Election Committee, in consultation with the Advisory Board, shall review the complaint and issue a decision within three days, following the dispute resolution process.
3. Decisions on election disputes are final, unless new evidence emerges, as determined by the Advisory Board.

J. Accountability and Oversight

1. The Advisory Board shall oversee the election process to ensure compliance with this constitution and institutional policies.
2. The Election Committee shall submit a report on the election process, including voter turnout and any issues, to the Advisory Board within one week of result declaration

Section 3.5: Selections

A. Executive Committee Selection

In the event that the Advisory Board, chaired by the Chairman of the Department of Computer Science and Engineering at Premier University, determines that selection is preferable to election for appointing the Executive Committee (EC), the following process shall apply.

1. Selection Committee for EC:

a) The Selection Committee shall consist of the Advisory Board (including the Chairman of the Department as Chief Advisor) and members from the Mentor Panel.
b) The Selection Committee shall appoint Executive Committee (EC) members based on merit, leadership experience, and alignment with PUCC's mission.
c) Eligibility for candidates shall be determined as outlined in Article 3, Section 3.3.
d) The Selection Committee must publish a call for applications at the start of the selection cycle, outlining eligibility criteria, deadlines, and the composition of the Selection Committee. The application window shall remain open for **three (3)** days.
e) The Selection Committee shall review applications and conduct interviews, if necessary, within **three (3)** days following the application deadline, ensuring transparency and fairness.
f) Final EC appointments shall be selected by the Selection Committee and announced to all members within **one (1)** day of the conclusion of the review period. A report detailing the selection rationale must accompany the announcement.
g) Members may submit feedback or grievances regarding the selection process to the Advisory Board within **one (1)** day of the official announcement. These shall be addressed in accordance with Article 9, Section 9.1.

B. Sub-Executive Committee Selection

1. Sub-EC positions shall be filled through a selection process, to ensure accessibility for junior members (Article 3, Section 3.3).
2. The EC shall recommend candidates for Sub-EC positions based on interest, skills, and eligibility (Article 3, Section 3.3).
3. Recommendations shall be submitted to the Advisory Board within one weeks of the EC election, with final approval by the Advisory Board.

ARTICLE 4: OPERATIONS

Section 4.1: Meetings and Decision-Making

A. Purpose

Meetings of the Premier University Computer Club facilitate strategic planning, operational coordination, and member engagement, ensuring alignment with the club's mission (Article 1, Section 1.2) and effective governance (Article 3). Meetings include General Assembly, Executive Committee (EC) Meetings, Sub-Executive Committee (Sub-EC) Meetings, Wing Meetings, and Special or Emergency Meetings, governed by transparent and inclusive processes.

B. General Assembly

1. Purpose

The General Assembly is held at the start of each academic semester to:

a) Conduct elections/selection for EC and Sub-EC positions (Article 3, Section 3.4).
b) Establish plans and priorities for the upcoming semester.
c) Review activity and financial reports from the previous semester (Article 10, Section 10.1).
d) Discuss and vote on proposed amendments to the constitution (Article 11, Section 11.1).

2. Timing and Notice

a) The General Assembly shall occur within the first two weeks of the semester, as scheduled by the Advisory Board (Article 3, Section 3.2).
b) Notice shall be provided at least three days in advance via official club channels (e.g., email, social media, per Article 4, Section 4.4).

3. Quorum and Participation

a) Quorum requires the presence of at least 25% of the executive committee members (Article 2, Section 2.1) to ensure representative decision-making.
b) All active members may attend, propose agenda items, and vote on decisions, including amendments.

C. Executive Committee Meetings

1. Purpose

a) EC Meetings are held bi-weekly to Review progress on ongoing projects, events, and wing activities (Article 3, Section 3.1).
b) Address operational challenges and coordinate club goals.
c) Approve budgets, events, and partnerships (Article 8, Section 8.1; Article 5, Section 5.1).

2. Timing and Notice

a) EC Meetings scheduled by the General Secretary with the President's approval.
b) Notice shall be provided at least two days in advance to EC members via official channels.

3. Quorum and Participation

a) Quorum requires the presence of at least 50% of EC members (Article 3, Section 3.3).
b) Sub-EC members and wing leaders may attend as observers, with speaking rights at the discretion of the President.

D. Sub-Executive Committee Meetings

1. Purpose

Sub-EC Meetings support operational tasks, including event planning, documentation, and wing coordination, under EC guidance.

2. Timing and Notice

a) Sub-EC Meetings shall occur at least bi-weekly, scheduled by the Assistant General Secretary in coordination with the General Secretary.
b) Notice shall be provided at least three days in advance to Sub-EC members.

3. Quorum and Participation

a) Quorum requires the presence of at least 50% of Sub-EC members (Article 3, Section 3.3).
b) EC members may attend to provide guidance, with the Vice President (Acting) ensuring alignment with club goals.

E. Wing Meetings

1. Purpose

Wing Meetings are held to coordinate activities within the six wings (Competitive Programming, Software Engineering, Linux-Based Networking, Deep Neural Research, Research and Development, Career Guidance; Article 3, Section 3.1).

2. Timing and Notice

a) Each wing shall hold meetings weekly, scheduled by the respective Wing Vice-President and Wing Secretary
b) Notice shall be provided at least two days in advance to wing members.

3. Quorum and Participation

a) Quorum requires the presence of at least 50% of active wing members.
b) Mentors (Article 3, Section 3.2) and Wing Coordinators (Article 3, Section 3.3) shall attend to provide guidance and track progress.

F. Special and Emergency Meetings

1. Special Meetings

a) Special Meetings may be convened for specific purposes, such as constitutional amendments (Article 11, Section 11.1) or urgent operational decisions, outside the General Assembly.
b) Notice shall be provided at least 24 hours in advance, with quorum requirements matching the meeting type (e.g., General Assembly or EC).

2. Emergency Meetings

a) Emergency Meetings may be convened by the President or Advisory Board for urgent matters requiring immediate attention (e.g., crisis management, Article 9, Section 9.1).
b) Notice shall be provided at least 24 hours in advance, with quorum requiring at least 50% of EC members or available members for the relevant meeting type.

G. Meeting Procedures and Rules

1. **Convening Meetings**: The General Secretary, with the President's approval, shall convene General Assembly and EC Meetings. Sub-EC Meetings are convened by the Assistant General Secretary, and Wing Meetings by Wing Secretaries.
2. **Quorum**: Meetings may not proceed with decisions unless quorum is met, as specified for each meeting type.
3. **Decision-Making**:
    a) Decisions in General Assembly require a majority vote of present active members, with ties resolved by the President's vote.
    b) EC and Sub-EC decisions require a majority vote of present members, with the President or Vice President (Acting) breaking ties.
    c) Major decisions (e.g., budgets, partnerships, constitutional amendments) require Advisory Board approval (Article 3, Section 3.2).
4. **Minutes and Documentation**:
    a) The General Secretary or Assistant General Secretary (for Sub-EC Meetings) shall record minutes, with Document Coordinators assisting (Article 3, Section 3.3).
    b) Minutes shall be shared with members within seven days and archived per Article 7, Section 7.3.
    c) Wing Meeting summaries shall be submitted to the General Secretary by Wing Secretaries for EC review.
5. **Conduct**:
    a) All participants shall adhere to the Code of Conduct (Article 6, Section 6.1), ensuring respectful, inclusive, and orderly participation.
    b) The Advisory Board may intervene to maintain order or resolve conflicts, as per Article 9, Section 9.2.
6. **Event-Specific Meetings**:
    a) The EC shall hold a planning meeting before each major event (Article 4, Section 4.2) to coordinate logistics and responsibilities.
    b) Post-event, the Organizing Secretary shall present documentation, including financial reports and activity summaries, to the EC for review (Article 10, Section 10.1).

H. Attendance and Accountability

1. **Attendance Requirements**:
    a) EC and Sub-EC members must attend all scheduled meetings relevant to their roles, with absences excused only for valid reasons notified to the General Secretary in advance.
    b) Wing Vice Presidents and Wing Secretaries must attend their respective Wing Meetings.

2. **Consequences of Absence**:
    a) One unexcused absence from an EC or Sub-EC meeting results in a formal written notice from the General Secretary.
    b) Two consecutive unexcused absences may lead to removal proceedings, as per Article 2, Section 2.3, Subsection B or Article 3, Section 3.3.
3. **Member Input**: Active members may propose agenda items for General Assembly or Special Meetings by submitting requests to the General Secretary at least three days in advance.

Section 4.2: Events and Activities

A. Purpose

The Premier University Computer Club (PUCC) organizes events and activities to promote skill development, professional growth, collaboration, and community engagement, aligning with the club's mission (Article 1, Section 1.2) and the activities of its six specialized wings (Article 3, Section 3.1). Events are planned and executed under the oversight of the Executive Committee (EC), with support from the Sub-Executive Committee (Sub-EC) and guidance from the Advisory Board (Article 3, Sections 3.2–3.3).

B. Workshops and Seminars

1. Each of the six wings shall organize at least two workshops and one seminar per semester.
2. Workshops and seminars shall focus on skill-building, knowledge sharing, and professional development, tailored to the wing's domain.
3. The EC, in consultation with Wing Vice-President and Wing Secretaries, shall approve event topics and schedules during EC meetings (Article 4, Section 4.1).
4. A nominal participation fee, if required, shall be proposed by the Organizing Secretary, approved by the EC, and communicated to members at least three days in advance, with funds managed per Article 8, Section 8.1.

C. Competitions

1. Every Wing shall organize at least one internal or external competition related to their wing per semester, to enhance members' technical skills and competitive spirit.

2. Competitions shall be coordinated by the relevant wing and approved by the EC during event planning meetings (Article 4, Section 4.1).
3. A nominal participation fee, if required, shall follow the approval and communication process outlined in Subsection B.4.

D. Monthly Competitive Programming Contest

1. The Competitive Programming Wing shall organize a monthly contest to promote consistent practice and algorithmic problem-solving.
2. The contest shall be open to wing members, with optional participation fees approved as per Subsection B.4.
3. Results and awards shall be documented and shared with members, archived per Article 7, Section 7.3.

E. Recruitment and Enrollment Drives

1. PUCC shall conduct recruitment and enrollment drives at the start of each semester to onboard new members from the Department of Computer Science and Engineering.
2. Drives shall include information sessions, promotional campaigns (Article 4, Section 4.4), and transparent application procedures, ensuring inclusivity and accessibility.
3. The PR & HR Secretary, Organizing Secretary and Batch Coordinators (Article 3, Section 3.3) shall lead recruitment efforts, with oversight from the EC.

F. Orientation

1. An orientation session shall be held within the first three weeks of each semester for new members to introduce PUCC's vision, structure (Article 3, Section 3.1), operational processes, and ongoing projects.
2. The session shall cover the club's history, achievements, and opportunities for involvement, led by the EC and supported by the Organizing Secretary.

G. Bootcamps

1. These four wings (Competitive Programming, Software Engineering, Linux-Based Networking, Deep Neural Research) shall host at least one bootcamp per wing per

semester, tailored to its domain, featuring hands-on sessions, assignments, and assessments for practical learning.
2. Participation certificates or rewards may be awarded based on performance and completion, with criteria set by the Wing Secretary and approved by the EC.
3. A nominal participation fee, if required, shall follow the approval process in Subsection B.4.

H. IT Fest

1. PUCC shall organize an IT Fest, either independently or in collaboration with the Department of Computer Science and Engineering or external partners (Article 5, Sections 5.1–5.2), at a frequency determined by the Advisory Board (e.g., annually or biennially).
2. The IT Fest shall include competitions, exhibitions, and networking events, coordinated by the Organizing Secretary with EC and Advisory Board approval.
3. Budgets and sponsorships for the IT Fest shall be managed per Article 8, Sections 8.1–8.3.

I. Iftar Program and Alumni Meetup

1. PUCC may organize an annual Iftar Program and Alumni Meetup to foster networking and community bonds, subject to EC and Advisory Board approval.
2. The event shall be led by the PR & HR Secretary and Career Guidance Wing, aligning with alumni engagement goals (Article 5, Section 5.3).
3. A nominal participation fee, if required, shall follow the approval process in Subsection B.4.

J. Alumni Engagement Events

1. PUCC shall organize events, networking sessions, or panel discussions to maintain strong connections with alumni, supporting mentorship and professional networking (Article 5, Section 5.3).
2. Events shall be coordinated by the PR & HR Secretary and Career Guidance Wing, with EC oversight and Advisory Board approval.

K. Participation in External Contests

1. PUCC shall encourage and support member participation in external contests (e.g., IUPC, ICPC, hackathons, robotics challenges, innovation fairs) to enhance skills and represent the institution.

2. Teams shall be selected through a transparent process led by the relevant Wing Secretary and approved by the EC, ensuring alignment with club values (Article 6, Section 6.1).
3. Members must uphold professionalism and adhere to technology ethics (Article 6, Section 6.2) during external contests.
4. Funding or logistical support for participation shall be approved per Article 8, Sections 8.1–8.3.

L. General Provisions

1. **Event Planning and Oversight**:
    a) All events shall be planned during EC meetings (Article 4, Section 4.1), with roles assigned to EC and Sub-EC members (e.g., Organizing Secretary, Event Coordinators).
    b) Major events (e.g., IT Fest, external competitions) require Advisory Board approval (Article 3, Section 3.2).
2. **Documentation and Reporting**:
    a) Post-event reports, including financial summaries and activity outcomes, shall be submitted to the EC by the Organizing Secretary within three days, archived per Article 7, Section 7.3.
    b) The General Secretary shall ensure reports are shared with members via official channels.
3. **Fees and Transparency**:
    a) Any participation fees shall be proposed by the EC, approved by a majority vote, and justified to members, with funds managed per Article 8, Section 8.1.
    b) Fee exemptions or subsidies may be offered for members facing financial constraints, subject to EC approval.
4. **Accessibility and Inclusivity**:
    a) Events shall be accessible, with options for virtual participation where feasible, coordinated by the PR & HR Secretary.
    b) The EC shall ensure events promote diversity and inclusivity, aligning with the Code of Conduct (Article 6, Section 6.1).
5. **Event Cancellation or Rescheduling**:
    a) Events may be canceled or rescheduled due to unforeseen circumstances (e.g., crises, per Article 9, Section 9.1), with decisions made by the EC and approved by the Advisory Board.
    b) Members shall be notified of changes at least 24 hours in advance via official channels.
6. **Dispute Resolution**:
    a) Disputes related to event participation, team selection, or fees shall be resolved per Article 9, Section 9.2.
    b) Members may submit concerns to the EC, with escalation to the Advisory Board if needed.

Section 4.3: Competitions and Awards

A. Purpose

The Premier University Computer Club organizes and supports participation in competitions and provides recognition through awards to enhance members' technical skills, foster professional development, and promote the club's reputation. Competitions and awards align with the club's mission (Article 1, Section 1.2), the objectives of its six specialized wings (Article 3, Section 3.1), and ethical standards (Article 6, Sections 6.1–6.3). The Executive Committee (EC), with support from the Sub-Executive Committee (Sub-EC) and oversight from the Advisory Board (Article 3, Sections 3.2–3.3), coordinates these activities.

B. Participation in Competitions

1. Scope

PUCC encourages members to participate in local, regional, national, and international competitions, including programming contests (e.g., IUPC, ICPC), hackathons, tech quizzes, robotics challenges, and innovation fairs, to enhance skills and represent the club and institution.

2. Approval Process

a) Members or teams seeking to participate under PUCC's name must submit a written proposal to the General Secretary, detailing the competition, team composition, and alignment with club objectives.
b) The EC, in consultation with the relevant Wing Secretary (e.g., Competitive Programming for coding contests), shall review and approve participation during an EC meeting (Article 4, Section 4.1).
c) Approvals require a majority EC vote and, for major external competitions, Advisory Board endorsement (Article 3, Section 3.2).
d) Approved participants shall receive logistical or financial support, as determined by the EC per Article 8, Sections 8.1–8.3.

3. Team Selection

a) Teams for external competitions shall be selected through a transparent process led by the relevant Wing Vice-President Wing Secretary, based on skills, prior performance, and commitment.
b) Selection criteria shall be published in advance, ensuring inclusivity and equal opportunity across batches and backgrounds.
c) Final team selections require EC approval, with documentation archived per Article 7, Section 7.3.

4. Conduct and Ethics

a) Participants must adhere to the club's Code of Conduct (Article 6, Section 6.1) and technology ethics policies (Article 6, Sections 6.2–6.3), maintaining professionalism and integrity.
b) Unauthorized participation under PUCC's name or violations of ethical standards (e.g., plagiarism, cheating) shall result in disciplinary action per Article 2, Section 2.3, Subsection B, ranging from warnings to membership termination, as determined by the EC with Advisory Board consultation.

C. Recognition and Awards

1. Types of Recognition

a) **Certificates**: Members who complete workshops, seminars, or bootcamps (Article 4, Section 4.2) shall receive certificates of participation, issued by the EC.
b) **Awards**: Outstanding contributors to club activities (e.g., event organization, competition wins, project leadership) shall receive awards, such as certificates, trophies, or public recognition.
c) **Competition Awards**: Winners of internal competitions (e.g., monthly Competitive Programming Contest, Article 4, Section 4.2) shall receive awards based on performance.

2. Criteria and Nomination

a) Award criteria shall include measurable contributions, such as success in competitions, leadership in wing activities, or impact on club projects, defined by the EC and approved by the Advisory Board.
b) Nominations for awards may be submitted by wing leaders, EC members, or mentors (Article 3, Section 3.2) to the General Secretary at least two weeks before the award ceremony.
c) The EC shall review nominations and select recipients by majority vote, ensuring transparency and fairness.

3. Issuance and Authenticity

a) Certificates and awards shall bear the signatures of the Club President and General Secretary, with the Vice President (Acting) signing in the President's absence.
b) The General Secretary shall maintain a record of all issued certificates and awards, archived per Article 7, Section 7.3.
c) Awards shall be presented at General Assembly meetings (Article 4, Section 4.1) or designated events (e.g., IT Fest, Article 4, Section 4.2, Subsection H).

D. General Provisions

1. **Event Planning and Oversight**:
    a) Competitions shall be planned during EC meetings (Article 4, Section 4.1), with roles assigned to EC and Sub-EC members.
    b) Major competitions require Advisory Board approval (Article 3, Section 3.2).
2. **Documentation**:
    a) Competition participation and award distribution shall be documented in post-event reports, submitted to the EC within seven days and archived per Article 7, Section 7.3.
    b) The General Secretary shall ensure reports are shared with members via official channels (Article 4, Section 4.4).
3. **Inclusivity and Accessibility**:
    a) Competition opportunities and awards shall be accessible to all active members, with selection processes promoting diversity across semesters and backgrounds.
    b) Financial or logistical barriers to participation shall be addressed through subsidies or support, approved per Article 8, Section 8.1.
4. **Dispute Resolution**:
    a) Disputes related to competition participation, team selection, or awards shall be resolved per Article 9, Section 9.2.
    b) Members may submit concerns to the General Secretary, with escalation to the Advisory Board if needed.
5. **External Collaborations**:
    a) Competitions involving external organizations or clubs (Article 5, Sections 5.1–5.2) shall be coordinated by the PR & HR Secretary and approved by the EC.
    b) Collaborative events shall align with PUCC's values and ethical standards.

Section 4.4: Branding and Publicity

A. Purpose

The Premier University Computer Club (PUCC) maintains a consistent and professional brand identity to reflect its mission, vision, and values (Article 1, Section 1.2). Branding and publicity efforts promote club activities, enhance visibility, and foster engagement with members, alumni, and external stakeholders. These efforts are coordinated by the Public Relations and Human Resources (PR & HR) Secretary and Marketing Coordinators (Article 3, Section 3.3), with oversight from the Executive Committee (EC) and Advisory Board (Article 3, Sections 3.2–3.3).

B. Club Identity and Branding Guidelines

1. PUCC's brand identity, including its logo, tagline (Guiding Motto), and visual designs, shall reflect its commitment to innovation, collaboration, and excellence in computer science.
2. The EC, in consultation with the Advisory Board, shall establish and maintain official branding guidelines, detailing specifications for logo usage, color schemes, typography, and design standards.
3. All official materials (e.g., documents, event banners, digital content, and merchandise) must adhere to these guidelines to ensure consistency and professionalism.
4. Branding guidelines shall be documented and archived per Article 7, Section 7.3, and made available to members upon request.

C. Logo and Tagline

1. The club's logo and tagline shall be prominently featured on all official documents, event materials, digital platforms, and merchandise.
2. Any proposed changes to the logo or tagline must be:
    a) Initiated by the EC, with input from members and alumni during General Assembly or Special Meetings (Article 4, Section 4.1).
    b) Approved by a majority vote of the EC and ratified by the Advisory Board.
3. Unauthorized use or modification of the logo or tagline by members or external parties shall result in disciplinary action per Article 2, Section 2.3.

D. Digital Presence

1. PUCC shall maintain an active and professional digital presence through its official website, social media platforms, and other online channels (e.g., GitHub, LinkedIn).
2. The PR & HR Secretary, supported by Marketing Coordinators, shall manage digital content, ensuring alignment with the club's mission, branding guidelines, and technology ethics (Article 6, Sections 6.2–6.3).
3. All digital content (e.g., posts, articles, videos) must be reviewed and approved by the EC before publication to ensure accuracy, relevance, and professionalism.
4. Cybersecurity measures (e.g., secure account management, data protection) shall be implemented to safeguard the club's digital assets, per Article 6, Section 6.3.

E. Event Publicity

1. All club events (Article 4, Section 4.2) shall be promoted through a strategic publicity plan, coordinated by the PR & HR Secretary and Marketing Coordinators.
2. Publicity efforts shall include posters, social media campaigns, email communications, and announcements during club meetings (Article 4, Section 4.1), adhering to branding guidelines.
3. Publicity materials shall be developed at least seven days before events, with content approved by the EC to ensure consistency and inclusivity.
4. Publicity shall target diverse audiences (e.g., all semesters, alumni, external partners) and be accessible (e.g., digital formats, multilingual options where feasible).

F. Collaboration and Partnerships

1. When collaborating with other organizations or clubs (Article 5, Sections 5.1–5.2), PUCC's branding shall be integrated into shared promotional materials, ensuring visibility and alignment with club identity.
2. Partnership agreements, including branding usage, shall be reviewed by the PR & HR Secretary and approved by the EC, with major partnerships requiring Advisory Board endorsement.
3. Any misuse of PUCC's branding by partners shall be addressed through dispute resolution (Article 9, Section 9.2), with corrective actions coordinated by the EC.

G. Merchandise and Representation

1. Club merchandise (e.g., t-shirts, mugs, banners) shall adhere to branding guidelines and be approved by the EC, with budgets managed per Article 8, Sections 8.1–8.3.
2. The Organizing Secretary and PR & HR Secretary shall oversee merchandise design, production, and distribution, ensuring quality and consistency.
3. Members representing PUCC in external events (e.g., competitions, conferences) shall use approved merchandise and materials, adhering to the Code of Conduct (Article 6, Section 6.1).
4. Unauthorized use of merchandise or misrepresentation of PUCC's identity shall result in disciplinary action per Article 2, Section 2.3.

H. General Provisions

1. **Oversight**:
    a) The EC, led by the PR & HR Secretary, shall oversee all branding and publicity efforts, with major decisions (e.g., logo changes, partnerships) requiring Advisory Board approval.
    b) The Advisory Board shall review branding guidelines annually to ensure relevance and alignment with institutional policies.
2. **Documentation**:
    a) All branding materials, publicity campaigns, and partnership agreements shall be documented and archived per Article 7, Section 7.3.
    b) The General Secretary shall maintain records of publicity efforts and report outcomes to the EC during monthly meetings (Article 4, Section 4.1).
3. **Inclusivity and Accessibility**:
    a) Publicity efforts shall promote inclusivity by targeting diverse audiences and ensuring materials are accessible (e.g., digital formats, clear language).
    b) Financial barriers to merchandise access shall be addressed through subsidies, approved per Article 8, Section 8.1.
4. **Dispute Resolution**:
    a) Disputes related to branding, publicity, or merchandise shall be resolved per Article 9, Section 9.2
    b) Members may submit concerns to the General Secretary, with escalation to the Advisory Board if needed.
5. **Member and Alumni Involvement**:
    a) Members and alumni may contribute to branding initiatives (e.g., logo design contests, social media content) through proposals submitted to the PR & HR Secretary.
    b) Contributions shall be reviewed by the EC to ensure alignment with branding guidelines.

ARTICLE 5: PARTNERSHIPS AND COLLABORATION

Section 5.1: External Collaborations and Sponsorship

A. Purpose

The Premier University Computer Club (PUCC) fosters external collaborations and sponsorships to support its mission of promoting innovation, student development, and technological advancement (Article 1, Section 1.2). These partnerships enhance the quality, reach, and impact of club activities while adhering to ethical standards (Article 6, Sections 6.1–6.3). The Executive Committee (EC), led by the General Secretary, coordinates collaborations, with oversight from the Advisory Board (Article 3, Sections 3.2–3.3).

B. Collaboration Guidelines

1. **Eligibility**:
    a) Collaborations must align with PUCC's mission, values, academic goals, and ethical standards, as well as Premier University's policies.
    b) PUCC shall not engage with entities whose practices conflict with the club's principles or the interests of its members and the university.
2. **Types of Collaborations**: Collaborations may include, but are not limited to:
    a) Technology companies and startups (e.g., for technical workshops or internships).
    b) Educational institutions and professional associations
    c) Industry partners and research bodies (e.g., for project-based partnerships).
    d) Government or public-sector bodies relevant to technology and innovation.
3. **Forms of Collaboration**: Collaborations may involve:
    a) Joint events or workshops (Article 4, Section 4.2).
    b) Technical support or mentoring (Article 3, Section 3.2).
    c) Internship or training programs, particularly through the Career Guidance Wing
    d) Project-based partnerships or resource sharing.
    e) Support for competitions (Article 4, Section 4.3).
    f) Content licensing or technology access.
4. **Initiation and Approval**:
    a) Collaboration proposals may be initiated by the EC, alumni, or external entities.
    b) Proposals shall detail the partner, objectives, mutual benefits, and alignment with PUCC's mission.
    c) The EC shall review proposals during a scheduled meeting (Article 4, Section 4.1), approving by the Chief Advisor.
    d) Collaborations (e.g., involving significant resources or institutional representation) require Advisory Board ratification.

C. Sponsorships and Agreements

1. **Eligibility and Standards**:
    a) Sponsorships must be transparent, well-documented, and free from conflicts of interest or undue influence.
    b) Sponsors must align with PUCC's mission, values, and ethical standards (Article 6, Sections 6.1–6.3).
    c) Sponsorships shall not compromise PUCC's academic independence or the university's integrity.
2. **Types of Sponsorship**: Sponsorships may include monetary contributions, in-kind support (e.g., equipment, software), or services for club activities, such as:
    a) Events (e.g., IT Fest, workshops, Article 4, Section 4.2).
    b) Competitions (Article 4, Section 4.3).
    c) Training programs or infrastructure development.
3. **Approval Process**:
    a) Sponsorship proposals shall be submitted to the General Secretary, detailing sponsor details, contributions, and expected benefits.
    b) The EC shall review proposals within 7 days, approving by the President.
    c) All sponsorships require Advisory Board confirmation to ensure alignment with club and university policies.
    d) Approved agreements shall be documented in written contracts, outlining mutual responsibilities, branding usage (Article 4, Section 4.4), and termination clauses.
4. **Use of Funds**:
    a) Monetary or in-kind sponsorships shall be used solely for PUCC activities.
    b) Funds shall be managed by the Treasurer, recorded in financial reports (Article 8, Section 8.1), and audited per Article 8, Section 8.3.
5. **Termination**:
    a) PUCC reserves the right to decline or terminate sponsorships that become misaligned with its mission, values, or ethical standards.
    b) Termination requires a majority EC vote and Advisory Board approval, with written notification to the sponsor and documentation of reasons (Article 7, Section 7.3).

D. General Provisions

1. **Branding in Collaborations**:
    a) PUCC's branding shall be integrated into partnership materials, adhering to guidelines (Article 4, Section 4.4).
    b) The PR & HR Secretary shall ensure consistent branding and review shared promotional content.
2. **Documentation and Reporting**:
    a) All collaboration and sponsorship agreements, outcomes, and financial transactions shall be documented and archived per Article 7, Section 7.3.

   b) The General Secretary shall submit a semester report on partnerships to the EC and Advisory Board during General Assembly (Article 4, Section 4.1).
3. **Conflict of Interest**:
   a) EC members or others involved in partnerships must disclose any personal interests (e.g., financial gain) to the Advisory Board, per Article 3, Section 3.3.
   b) Violations shall result in disciplinary action per Article 2, Section 2.3.
4. **Dispute Resolution**:
   a) Disputes related to collaborations or sponsorships (e.g., breach of agreement, branding misuse) shall be resolved per Article 9, Section 9.2.
   b) Members or partners may submit concerns to the General Secretary, with escalation to the Advisory Board if needed.
5. **Risk Management**:
   a) The EC shall assess potential risks (e.g., legal, reputational) in partnerships, consulting the Advisory Board for major agreements.
   b) Contracts shall include clauses to mitigate risks, such as termination rights and liability limits.
6. **Member and Alumni Involvement**:
   a) Members and alumni may propose partnerships through the PR & HR Secretary, particularly for career-related opportunities (Article 5, Section 5.3).
   b) The Career Guidance Wing shall support internship or training partnerships, ensuring alignment with member development goals.

Section 5.2: Inter-Club Collaboration

A. Purpose

Premier University Computer Club fosters strategic collaborations with other student clubs, university bodies, and external organizations to promote innovation, interdisciplinary learning, and professional growth. Collaborations are coordinated by the Executive Committee with oversight from the Advisory Board (Article 3, Sections 3.2–3.3).

B. Collaboration Guidelines

1. **Eligibility**:
   a) Collaborations must align with PUCC's mission, values, and ethical standards, as well as Premier University's policies.
   b) PUCC shall not engage with entities whose objectives conflict with the club's principles, academic goals, or the interests of its members.
2. **Types of Collaborations**: Collaborations may involve:
   a) Other student clubs within Premier University (e.g., engineering or business clubs).
   b) University bodies (e.g., Department of Computer Science and Engineering).

c) External organizations, such as industry groups, academic institutions, university or professional associations.

3. **Forms of Collaboration**: Collaborative activities may include:
    a) Joint events, workshops, seminars, or bootcamps (Article 4, Section 4.2).
    b) Competitions, such as hackathons or tech quizzes (Article 4, Section 4.3).
    c) Awareness campaigns or community outreach programs.
    d) Research projects or technical initiatives, particularly through the Research and Development (Article 3, Section 3.1).
    e) Networking or mentorship programs, supported by the Career Guidance Wing.
4. **Objectives**: Collaborations shall aim to:
    a) Expand professional and academic exposure for members
    b) Promote interdisciplinary learning and cross-functional teamwork.
    c) Enhance leadership, networking, and public engagement opportunities.
    d) Strengthen PUCC's visibility within and beyond the university.
    e) Foster innovation and diversity in ideas, perspectives, and skills.

C. Approval and Coordination

1. **Proposal Submission**:
    a) Collaboration proposals may be initiated by EC members, alumni, or external entities.
    b) Proposals shall include:
        1) Name and background of the collaborating entity.
        2) Purpose and expected outcomes.
        3) Planned activities, schedules, and resource requirements.
        4) Roles and responsibilities of each party.
        5) Branding, financial, or sponsorship components, if applicable (Article 4, Section 4.4; Article 5, Section 5.1).
2. **Review and Approval**:
    a) The EC shall review proposals within 14 days during a scheduled meeting (Article 4, Section 4.1), assessing:
        1) Alignment with PUCC's mission and objectives.
        2) Feasibility and resource requirements.
        3) Reputation and credibility of the partnering entity.
        4) Potential risks (e.g., reputational, legal).
    b) Approval requires a majority EC vote, with major collaborations (e.g., involving significant resources or institutional representation) requiring Advisory Board ratification.
    c) No collaboration may proceed without written or recorded approval from both the EC and Advisory Board.
3. **Coordination**:
    a) Approved collaborations shall be overseen by a designated EC member with support from relevant Sub-EC members.

b) The designated coordinator shall ensure clear communication, resource allocation, and adherence to agreed terms.

D. General Provisions

1. **Branding and Publicity**:
   a) PUCC's branding shall be integrated into collaborative materials, adhering to guidelines (Article 4, Section 4.4).
   b) The PR & HR Secretary shall oversee publicity efforts, ensuring consistency and inclusivity in promotional campaigns.
2. **Financial and Resource Management**:
   a) Resources or funds for collaborations shall be managed by the Treasurer, recorded in financial reports (Article 8, Section 8.1), and audited per Article 8, Section 8.3.
   b) Collaborative events shall follow budgeting guidelines (Article 8, Section 8.2).
3. **Documentation and Reporting**:
   a) All collaboration agreements, activities, and outcomes shall be documented and archived per Article 7, Section 7.3.
   b) The General Secretary shall submit a semester report on collaborations to the EC and Advisory Board during General Assembly (Article 4, Section 4.1).
4. **Conflict of Interest**:
   a) EC members involved in collaboration proposals must disclose any personal interests to the Advisory Board, per Article 3, Section 3.3.
   b) Violations shall result in disciplinary action per Article 2, Section 2.3.
5. **Dispute Resolution and Termination**:
   a) Disputes related to collaborations (e.g., breach of agreement, branding misuse) shall be resolved per Article 9, Section 9.2.
   b) PUCC may terminate collaborations that become misaligned with its mission or ethical standards, requiring Advisory Board approval, with documented reasons (Article 7, Section 7.3).

Section 5.3: Alumni Engagement

A. Purpose

The Premier University Computer Club (PUCC) fosters strong, ongoing relationships with its alumni and the CSE Alumni Association Premier University to support mentorship, professional development, and community building. Alumni engagement enhances networking opportunities, facilitates knowledge sharing, and aligns with PUCC's mission to promote innovation and career growth (Article 1, Section 1.2). These efforts are coordinated by the Executive Committee (EC),

led by the General Secretary and the Career Guidance Wing, with oversight from the Advisory Board (Article 3, Sections 3.2–3.3).

B. Relationship with the CSE Alumni Association

1. PUCC shall collaborate with the CSE Alumni Association, Premier University — the official body representing graduates of the Department of Computer Science and Engineering — to foster strong and meaningful connections between current members and alumni.
2. The collaboration shall focus on joint initiatives such as mentorship programs, career workshops, and networking events, designed to provide mutual benefit to both PUCC members and alumni.
3. Communication with the CSE Alumni Association shall follow a formal protocol: the General Secretary will first consult with the designated faculty coordinator (who is also a CSE alumnus), who will then communicate directly with the Alumni Association. This ensures proper institutional channels and alignment with PUCC's objectives and ethical standards (Article 6, Sections 6.1–6.3).

C. Engagement Activities

1. **Types of Activities**: Alumni engagement may include, but is not limited to:
    a) Annual events, such as the Iftar Program and Alumni Meetup (Article 4, Section 4.2), to foster community and networking.
    b) Programs, where alumni guide members on career paths, internships, or higher studies, coordinated by the Career Guidance Wing.
    c) Panel discussions or guest speaker featuring alumni experts in fields like software engineering, AI, or cybersecurity.
    d) Collaborative projects, such as research or competitions, involving alumni through the Research and Development (Article 3, Section 3.1).
    e) Career counseling sessions, leveraging alumni expertise to prepare members for industry roles (Article 4, Section 4.2).
2. **Objectives**: Engagement activities shall aim to:
    a) Provide professional guidance and mentorship to members.
    b) Enhance networking opportunities with industry professionals.
    c) Promote knowledge sharing and skill development.
    d) Strengthen PUCC's community and institutional reputation.
    e) Foster lifelong connections between current members and alumni.

D. Coordination and Approval

1. **Proposal Submission:**
    a) Alumni engagement initiatives may be proposed by the EC, Sub-Executive Committee (Sub-EC), general members, or the CSE Alumni Association. Proposals must be submitted to the PR & HR Secretary, who shall present them to the designated faculty coordinator for further communication with the Alumni Association.
    b) Proposals shall include:
        1. Objectives and expected outcomes.
        2. Planned activities, schedules, and resource requirements.
        3. Roles of PUCC and the CSE Alumni Association.
        4. Branding, financial, or sponsorship components, if applicable (Article 4, Section 4.4; Article 5, Section 5.1).
2. **Review and Approval:**
    a) The EC shall review proposals within 7 days during a scheduled meeting (Article 4, Section 4.1), evaluating alignment with PUCC's mission, feasibility..
    b) Approval requires a majority EC vote. Major initiatives (e.g., large-scale events or formal partnerships) additionally require Advisory Board ratification.
    c) No initiative may proceed without documented approval from both the EC and Advisory Board.
3. **Coordination:**
    a) Approved initiatives shall be overseen by the General Secretary, supported by the Career Guidance Wing and relevant Sub-EC members (e.g., Event Coordinators).
    b) The General Secretary shall maintain communication with the designated faculty coordinator to ensure effective coordination with the CSE Alumni Association and strict adherence to agreed terms.

E. General Provisions

1. **Branding and Publicity**:
    a) Alumni engagement activities shall integrate PUCC's branding, adhering to guidelines (Article 4, Section 4.4).
    b) The PR & HR Secretary shall oversee publicity, ensuring inclusive and accessible campaigns (e.g., social media, email) to engage both members and alumni.
2. **Financial and Resource Management**:
    a) Funds or resources for alumni activities, including nominal participation fees if applicable, shall be managed by the Treasurer, recorded in financial reports (Article 8, Section 8.1), and audited per Article 8, Section 8.3.
    b) Budgets shall prioritize affordability and inclusivity, with subsidies for members facing financial constraints (Article 8, Section 8.1).
3. **Documentation and Reporting**:
    a) All engagement activities, agreements, and outcomes shall be documented and archived per Article 7, Section 7.3.

b) The General Secretary shall submit a semester report on alumni engagement to the EC and Advisory Board, shared with members during General Assembly (Article 4, Section 4.1).

Section 5.4: Memorandum of Understanding (MOU)

A. Purpose

The Premier University Computer Club requires a Memorandum of Understanding (MOU) for all approved external collaborations and sponsorships to formalize partnerships, ensure mutual accountability, and align with the club's mission, ethical standards. The Executive Committee, coordinates MOU preparation, with oversight from the Advisory Board.

B. MOU Requirements

1. **Mandatory Use**:
    a) An MOU shall be signed for every approved collaboration or sponsorship with external entities, including other clubs, organizations, or industry partners.
    b) MOUs shall align with PUCC's mission (Article 1, Section 1.2) and ethical standards, ensuring no conflict with university policies.
2. **Content**: The MOU shall include:
    a) Objectives and scope of the partnership.
    b) Duration and renewal terms, specifying start and end dates.
    c) Roles and responsibilities of each party, including PUCC and the external entity.
    d) Resource commitments, such as financial contributions, materials, or services.
    e) Publicity, branding adhering to PUCC's branding guidelines.
    f) Termination clauses, outlining conditions and procedures for ending the agreement.
    g) Confidentiality clauses, if applicable, to protect sensitive information.
3. **Preparation and Review**:
    a) The General Secretary, in consultation with the Organizing Secretary and relevant Wing Secretaries (e.g., Career Guidance for internships), shall draft the MOU.
    b) The EC shall review the draft within seven days of partnership approval, ensuring alignment with club objectives and risk mitigation (e.g., legal, reputational risks).
    c) The Advisory Board shall provide final approval for MOUs involving significant resources or institutional representation.

C. Signing and Archiving

1. **Signatories**: The MOU shall be signed by:
    a) The Chief Advisor representing institutional oversight.
    b) The President of PUCC, representing the club.

c) An authorized representative of the external entity.

2. **Archiving and Transparency**:
    a) The General Secretary shall securely archive signed MOUs, maintaining digital and physical copies per Article 7, Section 7.3.
    b) A summary of each MOU shall be shared with members during General Assembly (Article 4, Section 4.1) to ensure transparency.
    c) Copies shall be available for review upon request by Premier University authorities or the Advisory Board.

D. General Provisions

1. **Dispute Resolution**:
    a) Disputes arising from MOUs (e.g., breaches, branding misuse) shall be resolved per Article 9, Section 9.2.
    b) The Advisory Board shall mediate initial disputes.
2. **Termination**:
    a) PUCC may terminate an MOU if the partnership becomes misaligned with its mission or ethical standards, requiring a majority EC vote and Advisory Board approval.
    b) Termination reasons shall be documented and archived per Article 7, Section 7.3.

ARTICLE 6: RULES AND ETHICS

Section 6.1: Code of Conduct and Member Responsibilities

A. Purpose

The Premier University Computer Club (PUCC) establishes rules and regulations to ensure a respectful, inclusive, and professional environment that supports its mission of fostering innovation, collaboration, and professional growth (Article 1, Section 1.2). These guidelines govern member conduct, attendance, participation, resource use, and conflict resolution, applying to all members, including general members, Executive Committee (EC) members, Sub-Executive Committee (Sub-EC) members. The EC and Advisory Board (Article 3, Sections 3.2–3.3), enforces these rules.

B. Code of Conduct

1. **Respect and Inclusivity**:
    a) All members shall maintain a respectful and inclusive environment, free from discrimination, harassment, or misconduct based on gender, ethnicity, religion, disability, or any other protected characteristic.
    b) Members shall foster collaboration and teamwork, prioritizing mutual support and constructive feedback over competitive behavior.
    c) Professional conduct is required during club meetings, events, workshops, competitions (Article 4, Sections 4.1–4.3), and external collaborations (Article 5, Sections 5.1–5.3).
2. **Digital Conduct**:
    a) Members shall adhere to ethical standards in digital spaces (e.g., social media, online platforms), aligning with PUCC's branding guidelines (Article 4, Section 4.4) and technology ethics (Article 6, Sections 6.2–6.3).
    b) Unauthorized use of PUCC's digital assets (e.g., website, social media accounts) is prohibited and subject to disciplinary action.
3. **Training and Awareness**:
    a) The Code of Conduct shall be introduced during orientation (Article 4, Section 4.2) and reinforced through annual training led by the PR & HR Secretary.
    b) Members and alumni participating in PUCC activities shall acknowledge the Code of Conduct in writing upon joining or engaging.

C. Attendance and Participation

1. **Expectations**:
    a) Members shall attend at least 75% of scheduled meetings (e.g., General Assembly, wing meetings, Article 4, Section 4.1) to maintain active status (Article 2, Section 2.1).
    b) Active participation is required in club events, workshops, competitions, and community activities (Article 4, Section 4.2), tailored to members' respective wings.
2. **Absence Notification**:
    a) Members unable to attend meetings or events shall notify the General Secretary or relevant Wing Secretary at least 24 hours in advance, citing valid reasons (e.g., academic or medical emergencies).
    b) Unexcused absences may result in consequences, aligned with Article 4, Section 4.1.

D. Member Responsibilities

1. **Wing Participation**:
    a) Members shall actively contribute to their respective wings through activities like workshops, competitions, or projects.
    b) Members in leadership roles (EC, Sub-EC, wing leaders) shall fulfill their duties as outlined in Article 3, Section 3.3.
2. **Project and Competition Contributions**:
    a) Members involved in projects or competition teams shall commit time and effort to ensure successful outcomes, as approved by the EC (Article 4, Section 4.3).
    b) Failure to contribute may result in removal from the project or team, subject to EC review.
3. **Care of Club Assets**:
    a) Members shall treat club materials, equipment, and digital assets (e.g., software licenses, servers) with care, adhering to technology ethics (Article 6, Section 6.3).
    b) Misuse, damage, or unauthorized use of assets shall result in disciplinary action.

E. Club Property and Resources

1. **Access and Approval**:
    a) Borrowing or using club equipment (e.g., computers, projectors) requires prior approval from the Treasurer, documented in a log maintained by the General Secretary and Treasurer.
    b) Requests shall be submitted at least 24 hours in advance, specifying purpose and duration.

2. **Inventory and Maintenance**:
    a) The Treasurer shall maintain an inventory of club property, updated each semester and archived per Article 7, Section 7.3.
    b) Members shall report any damage or loss to the Organizing Secretary within 24 hours, with repair or replacement costs assessed by the EC.
3. **Cybersecurity**:
    a) Digital assets shall be protected through secure practices.
    b) Unauthorized access or tampering shall result in disciplinary action.

.

F. Discipline and Conflict Resolution

1. **Disciplinary Actions**:
    a) Violations of the Code of Conduct, attendance rules, or resource misuse may result in disciplinary actions, including:
        1) Written warning for first offenses
        2) Temporary suspension from events or activities for repeated offenses.
        3) Membership termination for severe or repeated violations.
        4) Disciplinary decisions shall be made by the EC, and reviewed by the Advisory Board for fairness.
2. **Conflict Resolution**:
    a) Conflicts among members or with external parties shall be addressed transparently, following the dispute resolution process in Article 9, Section 9.2.
    b) Members shall submit complaints to the General Secretary, who shall mediate initial resolution, escalating to the President or Advisory Board if unresolved.
3. **Appeals**:
    a) Members facing disciplinary action may appeal to the Advisory Board within seven days, providing evidence or justification.
    b) The Advisory Board shall review appeals and issue a final decision within 14 days

G. General Provisions

1. **Oversight**:
    a) The EC, shall enforce the Code of Conduct and monitor compliance, with Advisory Board oversight for major violations.
    b) The Advisory Board shall review the Code of Conduct annually to ensure relevance.
2. **Documentation**:
    a) Incidents of misconduct, disciplinary actions, and conflict resolutions shall be documented and archived per Article 7, Section 7.3.
    b) The General Secretary shall maintain records and report significant cases to the EC and Advisory Board.

Section 6.2: Technology Ethics and Responsible Use

A. Purpose

The Premier University Computer Club (PUCC) promotes ethical and responsible use of technology to uphold its mission of innovation and integrity (Article 1, Section 1.2). Members shall adhere to ethical standards in all club activities, ensuring respect for intellectual property, data privacy, and professional conduct.

B. Guidelines

1. **Integrity in Projects and Competitions**:
    a) Members shall maintain honesty in club projects, competitions (Article 4, Section 4.3), and research, avoiding plagiarism or unauthorized use of resources.
    b) All work submitted (e.g., code, reports) must be original or properly credited, per academic and industry standards.
2. **Respect for Intellectual Property**:
    a) Members shall respect copyrights, licenses, and intellectual property rights when using software, datasets, or other resources.
    b) Unauthorized sharing or modification of proprietary materials is prohibited.
3. **Responsible Digital Behavior**:
    a) Members shall use club digital platforms (e.g., website, social media, Article 4, Section 4.4) ethically, avoiding harmful or misleading content.
    b) Conduct shall align with the Code of Conduct (Article 6, Section 6.1).
4. **Enforcement**:
    a) Violations of technology ethics shall result in disciplinary action per Article 6, Section 6.1, overseen by the Executive Committee (EC) with Advisory Board review (Article 3, Sections 3.2–3.3).

Section 6.3: Cybersecurity Policies

A. Purpose

The Premier University Computer Club (PUCC) implements cybersecurity policies to protect club digital assets, including the website, servers, and software, ensuring secure operations and member trust. These policies align with the club's commitment to responsible technology use.

B. Guidelines

1. **Access Control**:
    a) Access to club digital assets (e.g., servers, cloud storage) is restricted to authorized members, approved by the EC
    b) Members shall use secure credentials and report unauthorized access immediately.
2. **Data Protection**:
    a) Sensitive data (e.g., member information, financial records) shall be stored securely, with encryption where feasible, managed by the EC.
    b) Sharing sensitive data without EC approval is prohibited.
3. **Incident Reporting**:
    a) Cybersecurity incidents (e.g., breaches, malware) shall be reported to the EC within 24 hours.
    b) The EC shall document incidents and responses, archived per Article 7, Section 7.3.
4. **Enforcement**:
    a) Violations, such as unauthorized access or data misuse, shall result in disciplinary action per Article 6, Section 6.1.
    b) The General Secretary shall conduct semester audits of digital assets, reporting to the EC.

ARTICLE 7: DATA AND INTELLECTUAL PROPERTY

Section 7.1: Data Protection and Privacy

A. Purpose

The Premier University Computer Club (PUCC) prioritizes the protection of member and club data to ensure privacy, security, and trust, aligning with its mission (Article 1, Section 1.2) and cybersecurity policies (Article 6, Section 6.3).

B. Guidelines

1. **Data Collection**:
    a) PUCC shall collect only necessary data (e.g., member names, contact details) for club operations, with consent obtained during registration (Article 2, Section 2.1).
    b) Data collection shall comply with Premier University's privacy policies.
2. **Data Storage and Security**:
    a) Member and club data (e.g., financial records, event registrations) shall be stored securely.
    b) Access to sensitive data is restricted to authorized EC members, approved by the General Secretary.
3. **Data Use and Sharing**:
    a) Data shall be used solely for club purposes (e.g., event planning, Article 4, Section 4.2) and not shared externally without member consent or MOU agreements (Article 5, Section 5.4).
    b) Breaches or unauthorized sharing shall be reported within 24 hours to the Organizing Secretary, per Article 6, Section 6.3.
4. **Enforcement**:
    a) Violations of data protection policies shall result in disciplinary action per Article 6, Section 6.1,
    b) The General Secretary shall document data protection measures and incidents, archived per Article 7, Section 7.3.

Section 7.2: Intellectual Property

A. Purpose

The Premier University Computer Club (PUCC) protects intellectual property (IP) created during club activities to foster innovation and ensure ethical use, aligning with technology ethics (Article 6, Section 6.2).

B. Guidelines

1. **Ownership**:
    a) IP created by members during club activities (e.g., code, designs, research for projects or competitions, Article 4, Sections 4.2–4.3) shall be jointly owned by the member(s) and PUCC, unless otherwise specified in an MOU (Article 5, Section 5.4).
    b) PUCC retains rights to use IP for club purposes (e.g., promotion, exhibitions).
2. **Protection**:
    a) Members shall respect IP rights, avoiding unauthorized use of proprietary materials (e.g., software, datasets).
    b) IP created shall be documented, with ownership details recorded by the General Secretary, archived per Article 7, Section 7.3.
3. **External Use**:
    a) Sharing or licensing club IP with external parties requires EC approval and inclusion in MOUs (Article 5, Section 5.4).
    b) Members shall disclose any third-party IP used in club projects to the EC.
4. **Enforcement**:
    a) Violations, such as plagiarism or unauthorized IP use, shall result in disciplinary action per Article 6, Section 6.1.
    b) The Research and Development Wing shall assist in resolving IP disputes, escalating to the Advisory Board if needed (Article 9, Section 9.2).

ARTICLE 8: FINANCIAL AND RESOURCE MANAGEMENT

Section 8.1: Financial Management

A. Purpose

The Premier University Computer Club (PUCC) manages its financial affairs with transparency, accountability, and responsibility to support its activities, events, and sustainability, aligning with its mission (Article 1, Section 1.2) and ethical standards (Article 6, Sections 6.1–6.3). The Executive Committee (EC), led by the Treasurer, oversees financial operations, with oversight from the Advisory Board (Article 3, Sections 3.2–3.3).

B. Sources of Funds

PUCC shall generate funds from:

1. **Membership Fees:** Contributions collected during registration or renewal (Article 2, Section 2.1)
2. **University Funding**: Grants or support from Premier University administration.
3. **Support-Based Funding:** Donations from alumni, faculty, or non-commercial supporters.
4. **Sponsorships:** Financial or in-kind support from corporate, institutional, or community partners, per Article 5, Section 5.1.
5. **Project/Service-Based Income:** Revenue from club-led technical services (e.g., app development, workshops) approved by the EC.
6. **Event-Based Income:** Fees from seminars, bootcamps, contests, or other events (Article 4, Section 4.2).
7. **Fundraising Campaigns:** Approved crowdfunding or donation drives, ensuring ethical compliance.

All funds shall align with PUCC's mission and university policies, documented in MOUs for sponsorships (Article 5, Section 5.4).

C. Fund Utilization

Funds shall be used responsibly for:

1. **General Operations:** Administrative costs (e.g., documentation, subscriptions, printing).
2. **Event Expenses:** Costs for orientation, workshops, competitions, or outreach events (Article 4, Sections 4.2–4.3).
3. **Club Projects:** Hardware, software, or research expenses for member-led initiatives.
4. **Team Support:** Expenses for club-affiliated teams or individuals in competitions (e.g., ICPC, NCPC, NGPC, IUPC), including registration, travel, accommodation, and materials (Article 4, Section 4.3).
5. **Miscellaneous:** Meeting refreshments, badges, certificates, or other approved costs.
6. **Subsidize:** Support member financially if needed in club related activity.
7. Expenditures exceeding a threshold set by the EC require Advisory Board approval.

D. Budget and Planning

1. The Treasurer, in consultation with the President and General Secretary, shall prepare a provisional semester budget, approved by the EC and ratified by the Advisory Board.
2. Budget proposals for major events or expenditures shall be submitted seven days in advance to the EC and Advisory Board for approval.
3. The Treasurer shall maintain a financial plan for each event, detailing projected costs and income, archived per Article 7, Section 7.3.
4. Budget disputes or revisions shall be resolved by the EC, with Advisory Board mediation if needed (Article 9, Section 9.2).

E. Financial Records and Reporting

1. The Treasurer shall:
    a) Maintain accurate, up-to-date records of all income and expenditures, protected per Article 7, Section 7.1.
    b) Collect and store receipts, invoices, and transaction records.
    c) Present a financial report to the EC within 14 days post-semester, shared with members during General Assembly (Article 4, Section 4.1).
2. Records shall be stored on a secure, club-approved online platform (e.g., Google Drive), ensuring:Access for authorized EC members.Continuity during leadership transitions.
3. Compliance with data protection policies (Article 7, Section 7.1).
4. Financial summaries shall be shared with members semesterly to promote transparency.

F. Bank and Cash Handling

1. If permitted by university policy, PUCC may maintain a bank account under the joint authority of the Advisory Board, President, and Treasurer, approved by the EC.
2. Without a bank account, funds shall be managed via a secure ledger system, with all cash transactions recorded and signed by the President and Treasurer.
3. Cash handling risks (e.g., theft) shall be mitigated through dual oversight and secure storage, reported to the EC immediately if issues arise.

G. Auditing and Oversight

1. An internal audit shall be conducted:
    a) At the end of each semester.
    b) Before leadership transitions to a new EC.
2. Audits shall be performed by a designated EC member and an Advisory Board representative, with results documented and archived (Article 7, Section 7.3).
3. Discrepancies shall be reported to the EC and Advisory Board, with corrective actions taken per Article 6, Section 6.1.
4. External audits by university authorities may be requested, with full cooperation from the Treasurer.

H. General Provisions

1. Ethical Management:
    a) Financial decisions shall avoid conflicts of interest, with EC members disclosing personal interests to the Advisory Board (Article 3, Section 3.3).
    b) Financial misconduct (e.g., misappropriation) shall result in disciplinary action per Article 6, Section 6.1.
2. Emergency Expenses:
    a) Unforeseen expenses shall be approved by the President, with Advisory Board.
    b) Emergency expenditures shall be documented and reported in the next financial report.
3. Transparency and Inclusivity:
    a) Financial summaries shall be accessible to members, ensuring transparency (Article 4, Section 4.1).
    b) Membership fees shall be affordable, with waivers for financial hardship, approved by the EC.

Section 8.2: Resource Management

A. Purpose

The Premier University Computer Club (PUCC) manages its physical and digital resources responsibly to support club activities, events, and projects, aligning with its mission (Article 1, Section 1.2) and ethical standards (Article 6, Sections 6.1–6.3). The Executive Committee (EC), led by the General Secretary and Treasurer, oversees resource management, with oversight from the Advisory Board (Article 3, Sections 3.2–3.3).

B. Responsible Use of Resources

1. **Guidelines**:
    a) Club resources (e.g., software licenses, hardware, event materials) shall be used solely for club activities (e.g., projects, competitions, Article 4, Sections 4.2–4.3) and in accordance with ethical standards (Article 6, Section 6.2).
    b) Members shall use resources efficiently, prioritizing critical needs (e.g., ICPC preparation, Section 8.1).
    c) Access to resources requires prior approval from the Organizing Secretary, per Article 6, Section 6.1.
2. **Storage**:
    a) Physical resources shall be stored in a designated, secure space managed by the Treasurer.

b) Digital assets (e.g., software, datasets) shall be maintained in a centralized, secure cloud system (e.g., Google Drive), accessible only to authorized EC members.

3. **Accountability**:
    a) Members shall report loss, damage, or unauthorized use of resources to the General Secretary within 24 hours.
    b) Responsible individuals may be required to bear repair or replacement costs, determined by the EC after review, with appeals handled per Article 9, Section 9.2.

C. Record-Keeping

1. The Treasurer, in collaboration with the General Secretary, shall maintain
    a) Resource Logbook (digital or physical) detailing:
        1. Resource name and description.
        2. Assigned member(s).
        3. Date of allocation, purpose, and return status.
2. The logbook shall be reviewed biweekly by the EC to ensure accuracy and transparency.
3. Records shall be securely stored and archived per Article 7, Section 7.3, adhering to data protection policies (Article 7, Section 7.1).
4. The General Secretary shall ensure records are accessible to authorized EC members and the Advisory Board for audits.

D. General Provisions

1. **Inventory and Maintenance**:
    a) The General Secretary shall conduct each semester inventory audit of physical and digital resources, reporting to the EC.
    b) Maintenance schedules for equipment shall be established to prevent damage.
2. **Enforcement**:
    a) Violations of resource use policies (e.g., unauthorized access, damage) shall result in disciplinary action per Article 6, Section 6.1
    b) The Advisory Board shall oversee major violation cases, ensuring fairness.
3. **Risk Management**:
    a) Backup systems should be used for digital assets to mitigate loss risks.
    b) The EC shall assess risks (e.g., equipment theft) and document mitigation plans.

Section 8.3: Grant and Funding Applications

A. Purpose

The Premier University Computer Club (PUCC) seeks grants and funding to support its activities, events, and sustainability, aligning with its mission (Article 1, Section 1.2) and ethical standards (Article 6, Sections 6.1–6.3). The Executive Committee (EC), manages grant and funding applications with Advisory Board oversight (Article 3, Sections 3.2–3.3).

B. Guidelines

1. **Eligibility**:
    a) Applications shall target funding from university grants, government programs, or external organizations (e.g., tech industry grants), per Article 5, Section 5.1.
    b) Funding must align with PUCC's mission and Premier University's policies.
2. **Application Process**:
    a) The Treasurer, in collaboration with the PR & HR Secretary, shall draft grant or funding proposals, detailing objectives, budget, and benefits to members.
    b) Proposals shall be submitted to the EC for review within seven days
    c) Applications require Advisory Board ratification.
3. **Documentation**:
    a) Approved proposals and funding agreements shall be documented in a Memorandum of Understanding (MOU), per Article 5, Section 5.4.
    b) The General Secretary shall archive records, adhering to data protection policies (Article 7, Section 7.1) and Article 7, Section 7.3.
4. **Enforcement**:
    a) Misuse of grant funds shall result in disciplinary action per Article 6, Section 6.1
    b) The Treasurer shall report funding outcomes to the EC and Advisory Board each semester.

ARTICLE 9: RISK AND CONFLICT MANAGEMENT

Section 9.1: Crisis and Risk Management

A. Purpose

The Premier University Computer Club (PUCC) manages crises and risks to ensure operational continuity and member safety, aligning with its mission (Article 1, Section 1.2) and ethical standards (Article 6, Sections 6.1–6.3). The Executive Committee (EC), led by the Organizing Secretary, coordinates responses, with Advisory Board oversight (Article 3, Sections 3.2–3.3).

B. Guidelines

1. **Crisis Response**:
    a) The EC shall respond promptly to crises (e.g., technical failures, event cancellations, safety issues), developing an action plan within 24 hours.
    b) Plans shall address specific crises (e.g., server outages, funding shortages), coordinated by the Organizing Secretary and relevant wings.
2. **Emergency Fund**:
    a) An emergency fund, managed by the Treasurer, shall be maintained separately from the general budget (Article 8, Section 8.1) to cover urgent needs.
    b) Fund use requires EC and Advisory Board approval.
3. **Documentation and Training**:
    a) Crisis responses and outcomes shall be archived per Article 7, Section 7.3.
    b) The Organizing Secretary shall train members on crisis protocols.

Section 9.2: Dispute Resolution and Grievances

A. Purpose

The Premier University Computer Club (PUCC) resolves disputes and grievances transparently and fairly to maintain a collaborative environment, aligning with its values (Article 6, Section 6.1). The President leads mediation, with oversight from the Advisory Board (Article 3, Sections 3.2–3.3).

B. Guidelines

1. **Dispute Mediation**:
    a) Disputes shall be mediated by the President within seven days of reporting.
    b) Unresolved disputes shall escalate to the Advisory Board, with a final decision within 14 days.
2. **Grievance Filing**:
    a) Members may file grievances anonymously via a designated digital form (e.g., Google Form) to the Advisory Board.
    b) The Advisory Board shall mediate grievances, ensuring fairness and alignment with club policies.
3. **Appeals and Transparency**:
    a) Members may appeal resolutions to the Advisory Board within seven days, with a final decision within 14 days.
    b) Outcomes shall be documented and archived per Article 7, Section 7.3, with summaries shared during General Assembly (Article 4, Section 4.1).
4. **Inclusivity**:
    a) Grievance processes shall be accessible, with accommodations for members with disabilities (Article 4, Section 4.2).
    b) Mediators shall disclose conflicts of interest to the Advisory Board (Article 3, Section 3.3).

ARTICLE 10: REPORTING AND ACCOUNTABILITY

Section 10.1: General Reporting

A. Purpose

The Premier University Computer Club (PUCC) ensures transparency and accountability through regular reporting and member feedback, aligning with its mission (Article 1, Section 1.2) and ethical standards (Article 6, Sections 6.1–6.3). The Executive Committee (EC), led by the General Secretary, coordinates reporting, with oversight from the Advisory Board (Article 3, Sections 3.2–3.3).

B. Semesterly Report

1. The General Secretary and Treasurer shall prepare a semesterly report summarizing activities, achievements, challenges, and financial overview (Article 8, Section 8.1) within 14 days after the semester's main program (e.g., Annual General Meeting, Article 4, Section 4.1).
2. The report shall be reviewed and approved by the President and Advisory Board before distribution.
3. Approved reports shall be shared with members, the Department of Computer Science and Engineering, and the CSE Alumni Association (Article 5, Section 5.3) via club platforms.
4. Reports shall be securely archived, adhering to data protection policies (Article 7, Section 7.1) and Article 7, Section 7.3.

C. Member Feedback

1. Feedback shall be collected after major events (Article 4, Section 4.2) and semesterly via digital forms (e.g., Google Forms), allowing anonymous submissions.
2. The General Secretary shall compile feedback within 14 days, identifying strengths, areas for improvement, and action points.
3. Feedback summaries and actions shall be presented at the General Assembly (Article 4, Section 4.1) or shared digitally with members.

D. General Provisions

1. The Advisory Board shall audit reports semesterly for accuracy, addressing discrepancies per Article 9, Section 9.2.
2. Feedback-related disputes shall be resolved per Article 9, Section 9.2, ensuring fairness and transparency.

Section 10.2: Documentation Standards

A. Purpose

Premier University Computer Club establishes documentation standards to ensure clarity, consistency, and transparency in project and event records, supporting its mission and ethical standards The Executive Committee (EC), led by the General Secretary and Documentation Coordinator, oversees documentation, with Advisory Board oversight.

B. Documentation Requirements

1. All club projects and events (Article 4, Sections 4.2–4.3) shall adhere to standardized formats (e.g., Markdown, PDF) for clarity, reusability, and shareability.
2. The Organizing Secretary shall compile event-related information (e.g., agendas, outcomes) within seven days post-event, submitting it to the Documentation Coordinator.
3. Documentation shall be stored securely, adhering to data protection policies (Article 7, Section 7.1) and archived per Article 7, Section 7.3.

C. Report Formats

1. Official documents shall use EC-approved templates, including the PUCC logo, preparer's name, and designation for authenticity.
2. Project leads shall ensure documentation meets quality standards, submitting it to the Documentation Coordinator for review.
3. Documents requiring formal approval (e.g., annual reports, project summaries) shall include signatures (physical or digital) from the President and The Chief Advisor.

D. Oversight

1. The Documentation Coordinator, a Sub-EC role under the General Secretary, shall oversee documentation quality, access control, and archiving.
2. The EC shall conduct monthly checks to ensure documentation completeness and compliance.
3. Access to documentation shall be role-based: a. EC members and the Documentation Coordinator shall have full access. b. General members may access finalized documents (e.g., event summaries, Article 10, Section 10.1) with EC approval.
4. The Documentation Coordinator shall ensure cybersecurity for digital records (Article 6, Section 6.3) and share approved documents with stakeholders (e.g., CSE Alumni Association, Article 5, Section 5.3).
5. Substandard documentation shall be addressed by project leads, with disputes resolved per Article 9, Section 9.2.

E. General Provisions

1. The PR & HR Secretary shall train members on documentation standards during orientation (Article 4, Section 4.2, Subsection F).
2. Documentation processes shall be accessible, with accommodations for members with disabilities (Article 4, Section 4.2, Subsection L.4).
3. The Advisory Board shall audit documentation semesterly, ensuring transparency and data integrity.

Article 11: Amendments and Dissolution

Section 11.1: Amendments

A. Purpose

Premier University Computer Club allows amendments to its constitution to ensure relevance and alignment with its mission and ethical standards. The Executive Committee (EC) oversees amendments, with Advisory Board oversight (Article 3, Sections 3.2–3.3).

B. Guidelines

1. Amendments may be proposed by EC members or active members (Article 2, Section 2.1) and submitted to the General Secretary.
2. Proposals shall be reviewed by the EC within seven days, requiring a two-thirds majority vote at the General Assembly (Article 4, Section 4.1).
3. Approved amendments shall be ratified by the Advisory Board and communicated to members within 48 hours via club platforms.
4. Amendments shall be archived, with voting processes accessible to all members

Section 11.2: Dissolution

A. Purpose

The Premier University Computer Club (PUCC) establishes procedures for dissolution to ensure responsible closure, aligning with financial (Article 8, Section 8.1) and documentation standards

B. Guidelines

1. **Initiation**:
    a) Dissolution may be proposed by the EC with a two-thirds majority vote, requiring Advisory Board and university approval.
    b) Members shall be notified of the proposal 14 days in advance via General Assembly (Article 4, Section 4.1).

2. **Financial Settlements**:
    a) The Treasurer shall settle all financial accounts and debts within 15 days, preparing a final report per Article 8, Section 8.1.
    b) The report shall be archived per Article 7, Section 7.3, adhering to data protection policies (Article 7, Section 7.1).
3. **Distribution of Assets**:
    a) Remaining funds and assets shall be donated to Premier University or an educational nonprofit, as determined by the Advisory Board.
    b) Donations shall align with PUCC's mission, prioritizing community-focused initiatives.
4. **General Provisions**:
    a) Intellectual property shall be managed per Article 7, Section 7.2, with ownership details documented.
    b) The General Secretary shall notify stakeholders (e.g., CSE Alumni Association, Article 5, Section 5.3) and archive records.
